J. Drudy,1980 **Passions of the Earth in Human Existence, Creativity, and Literature** Anna-Teresa Tymieniecka,2012-12-06 Literature reveals that the hidden strings of the human passional soul are the creative source of the specifically human existence Continuing the inquiry into the elemental passions of the soul and the Human Creative Soul pursued in several previous volumes of this series the present volume focuses on the passions of the earth bringing to light some of the primogenital existential threads of the innermost bonds of the Human Condition and mother earth In Tymieniecka s words the studies purpose to unravel the essential bond between the living human being and the earth a bond that lies at the heart of our existence A heightened awareness of this bond should enlighten our situation and help us find our existential bearings *The Autobiography* Frank

O'Connor,2014-08-12 Frank O Connor's acclaimed autobiography now in one volume When Frank O Connor was born his parents Minnie O Connor a former maid raised in an orphanage and Michael O Donovan a veteran of the Boer War and the drummer in a local brass and reed band lived above a sweet and tobacco shop in Cork Ireland The young family soon moved however to a two room cottage at the top of Blarney Street a lane that originates as O Connor so vividly describes it near the river bank in sordidness and ascends the hill to something like squalor From this unlikely beginning a poor boy born Michael Francis Xavier O Donovan set out on the remarkable journey that transformed him into Frank O Connor one of Ireland's greatest writers An Only Child the first installment of O Connor's wonderfully evocative autobiography captures the joy and pain of his early years joy in the colorful people and places of Cork and in his devoted relationship with his mother pain in the family's impoverished situation and in his father's melancholy moods and drunken outbursts Fifteen years old when he joins the Irish Republican Army in the fight for independence O Connor finds himself on the losing side of the ensuing civil war and is imprisoned by the government of the new nation My Father's Son begins with his release from an internment camp and follows him to Dublin and the world renowned Abbey Theatre where he meets W B Yeats J M Synge and other members of the Irish Literary Revival and takes the first steps toward becoming one of the twentieth century's most beloved authors As richly detailed and eloquent as the best of his short fiction Frank O Connor's autobiography is an entertaining portrait of a fascinating time and place and the inspiring account of a young artist finding his voice

Censorship across Borders Alberto Lázaro,Catherine O'Leary,2011-07-12 This volume brings together twelve essays which explore European censorship of English literature in the last century Taking into consideration the various social political and historical contexts in which literary controls were imposed and the extent to which they were determined by national and international concerns these essays comment on political and moral censorship self censorship and the role of the translator as censor Besides systematic state control other hidden and insidious forms of censorship are also surveyed in the essays This study considers why certain works and authors many of them now regarded as canonical were targeted in various states and often under opposing ideologies such as those dominated by conservative Catholic morality and those governed by communism or socialism The essays contain previously unpublished material cover a wide range of authors including Beckett Eliot Joyce and Orwell and analyse diverse censorship systems operating across Europe thus serving as a useful comparative resource Despite the variety of structures of suppression the study shows that certain common practices can be discerned across national borders and that general conclusions can be drawn about the complex and ambiguous nature of the state's relationship with culture and about the immediate and long term impact of censorship not only on the author and publisher but on society as a whole Finally the essays are also significant for what they tell us about the survival
