kidnappers and Nazi gold in this break neck thriller Pero Baltazar's work as a film producer takes him all over the world It's  
the sort of career that has made him an asset to the US State Department as a part time courier His last assignment from  
them however proved almost fatal and required some time off Finally rested and ready to get back to work Pero takes a job  
on a spy film shooting in Berlin Unfortunately someone at the CIA has a mysterious package waiting for him upon his arrival  
With little details or instructions to go off of Pero finds himself thrust into a deadly game Soon the director and the star of his

the Search for Western Security, 1946-1948 Gill Bennett, Patrick Salmon, 2016-12-01 This volume documents the British  
Government's response from mid 1946 to early 1948 to the twin challenges of economic recovery and the search for a  
meaningful Western security framework in the face of the increasing polarisation of Europe into Eastern and Western  
spheres of influence Although relations between the wartime Big Three allies the UK US and USSR had begun to fracture  
even before the end of hostilities in 1945 it was during 1947 that the postwar division of Europe became sufficiently alarming  
to prompt decisive action under American and British leadership to promote European economic reconstruction and thereby  
increase Western security American leadership took the form of two initiatives enabled by US economic and military strength  
the Truman Doctrine for aid to Greece and Turkey announced in March 1947 and the Economic Recovery Programme or  
Marshall Plan first proposed in June 1947 British leadership under the personal direction of Foreign Secretary Ernest Bevin  
was shown in two ways in articulating Western Europe's need for US help in a way that enabled it to be recognised and then  
accepted and in helping to coordinate the European response to the US initiatives to maximise their effectiveness  
Documentation on the Truman Doctrine and Marshall Plan forms the core of the volume but a wide range of material  
including intelligence related documents has been chosen to illustrate the multiple challenges faced by the Attlee  
Government during this period This book will be of much interest to students of British politics Cold War History European
