mutual courting the tables turn and the now savvy students watch the journalists seduced and confused run circles just trying to keep up During the hunger strike under the light of a full moon China bares its conflicted soul to the world the mournful cry for reform amplified by the footsteps of a million peaceful marchers This remarkable testament to a searing month that changed China forever serves as a witness to the rise and fall of an uprising capturing the plaintive and lyrical beauty of a dream that endures and continues to haunt the country today *75th Annual Discussion and Debate Source Book* ,2001 Congressional Record United States.
