Take Five Minutes Greg Camden, Eric Migliaccio, 2003-05-21 Presents lessons on using an almanac **YogaKids** Marsha Wenig, 2015-01-01 The innovative YogaKids program offers more than just poses. It blends traditional yoga and its benefits with new theories of multiple learning styles in a comprehensive, imaginative and playful approach to education. The best selling YogaKids video a Parent's Choice award winner has been helping kids and their parents discover the pleasures and benefits of yoga for more than seven years. With this book Marsha Wenig's fun and child friendly course is expanded and enriched for parents, teachers and caregivers. YogaKids presents more than 50 carefully selected poses in clear, easy to follow color photographs paired with special activities that stimulate children's verbal, spatial and artistic skills. The book includes special yoga routines to cover a multitude of common situations such as calming down, getting ready for a test or even riding in a car as well as help for children with special needs. Parents learn the physical and emotional benefits of each pose. Children discover that learning is fun, that exercise feels good and that taking care of their bodies is easy. Designed for kids and adults to use together, it integrates yoga with verbal, spatial and mathematical learning. Follow up to the best selling YogaKids video a Parents Choice award winner. Two new videos to be released this fall. National author tour, National print and broadcast publicity, Online marketing.

Take Five! for Science Kaye Hagler, Judy Elgin Jensen, 2015-06-10 Take Five for Science transforms those first five minutes of class into engaging writing opportunities. Students will brainstorm their way through 75 topics within three main science divisions: earth, life and physical science. All prompts are aligned with NGSS and ELA CCSS as students debate, compare, investigate, question and design in response to 150 prompts. Whether your students are working to save endangered ecosystems, investigating distant constellations, creating unusual animals or constructing a design solution, these diverse and creative prompts will have students looking forward to each day when they're asked to Take Five for Science. Begin every day of the school year with a burst of writing in the science discipline with this comprehensive and fun resource.
