Staple Of News

Philip R. Hardie

Staple Of News:

The Staple of News Ben Jonson,1988 This edition offers a modernized text based on a fresh collation of the 1631 1640 folio together with an account of the play s printing history a full commentary which sets Jonson s art in its intellectual and social context and an introduction which seeks to do justice to the play s broad scope and to suggest something of its theatrical potential **The Staple of News** Ben Jonson,1905 **Two Notes on Ben Jonson's Staple of News ...**

Frederick Albert Pottle,1925 **The staple of news, ed. with intr., notes, and glossary by D. Winter** Ben Jonson,1905

Rumour and Renown Philip R. Hardie,2012-02-02 The Latin word fama means rumour report tradition as well as modern English fame or renown This magisterial and groundbreaking study in the literary and cultural history of rumour and renown by one of the most influential living critics of Latin poetry examines the intricate dynamics of their representations from Homer to Alexander Pope with a focus on the power struggles played out within attempts to control the word both spoken and written Central are the personifications of Fama in Virgil and Ovid and the rich progeny spawned by them but the book focuses on a wide range of genres other than epic and on a variety of modes of narrating dramatising critiquing and illustrating fama Authors given detailed readings include Livy Tacitus Petrarch Chaucer Spenser Shakespeare Ben Jonson and Milton **The Staple of News, by Ben Jonson. Edited... by de Winter,... A Thesis Presented to the Faculty of the Graduate School of Yale University...** Ben Jonson,1905 **English Newspapers** Henry Richard Fox Bourne,1887

Imitation and Contamination of the Classics in the Comedies of Ben Jonson Tom Harrison,2022-10-12 This book focuses on the influence of classical authors on Ben Jonson s dramaturgy with particular emphasis on the Greek and Roman playwrights and satirists It illuminates the interdependence of the aspects of Jonson s creative personality by considering how classical performance elements including the Aristophanic Great Idea chorus Terentian Plautine performative strategies and performative elements from literary satire manifest themselves in the structuring and staging of his plays This fascinating exploration contributes to the performative turn in early modern studies by reframing Jonson s classicism as essential to his dramaturgy as well as his erudition The book is also a case study for how the early modern education system s emphasis on imitative contaminative practices prepared its students many of whom became professional playwrights for writing for a theatre that had a similar emphasis on recycling and recombining performative tropes and structures

Money and Magic in Early Modern Drama David Hawkes,2022-12-01 Money magic and the theatre were powerful forces in early modern England Money was acquiring an independent efficacious agency as the growth of usury allowed financial signs to reproduce without human intervention Magic was coming to seem Satanic as the manipulation of magical signs to performative purposes was criminalized in the great witch craze And the commercial public theatre was emerging to great controversy as the perfect medium to display analyse and evaluate the newly autonomous power of representation in its financial magical and aesthetic forms Money and Magic in Early Modern Drama is especially timely in the current era of

financial deregulation and derivatives which are just as mysterious and occult in their operations as the germinal finance of 16th century London Chapters examine the convergence of money and magic in a wide range of early modern drama from the anonymous Mankind through Christopher Marlowe to Ben Jonson concentrating on such plays as *The Alchemist* *The New Inn* and *The Staple of News* Several focus on Shakespeare whose analysis of the relations between finance witchcraft and theatricality is particularly acute in *Timon of Athens* *The Comedy of Errors* *Antony and Cleopatra* and *The Winter's Tale*

The Works of Ben Jonson Ben Jonson, William Gifford, 1875 **A History of English Dramatic Literature to the Death of Queen Anne** Sir Adolphus William Ward, 1899 **The Works of Ben Jonson: with Notes Critical and Explanatory and a Biographical Memoir** Benjamin Jonson, 1875 **Chapters in the History of Journalism** H. R. Fox Bourne, 1887 History of journalism 1621-1819 Henry Richard Fox Bourne, 1887 *The masque of blackness ; The masque of beauty ; Hymenaei: or, the solemnities of masque and barriers at a marriage ; The hue and cry after cupid ; The masque of queens ; The speeches at Prince Henry's barriers ; Oberon, the fairy prince ; Love freed from ignorance and folly ; Love restored ; A challenge at Tilt, At a marriage ; The Irish masque at court ; Mercury vindicated from the alchemists ; The golden age restored ; Christmas, his masque ; The masque of Lethe (or, Lovers made men) ; The vision of delight ; Pleasure reconciled to virtue ; For the honour of Wales ; News from the New World in the moon ; A masque of the metamorphosed Gipsies ; The masque of Augurs* Ben Jonson, 1875 Renaissance Earwitnesses K. Botelho, 2009-12-21 Renaissance Earwitnesses examines how maintaining masculinity on the early modern stage is intimately tied to earwitnessing or a sense of judicious listening in his reading of plays by Marlowe Shakespeare Cary and Jonson **The Staple of News, Edited with Introd., Notes, and Glossary, by De Winter** Ben Jonson, 1905 Works Ben Jonson, 1875 *Ben Jonson* Rosalind Miles, 2017-03-27 Though he is one of the undisputed giants of English literature Ben Jonson is known to most people only as the author of one or two masterly plays which regularly appear in the drama repertory He is much less well known for his whole oeuvre which encompasses poetry criticism masque making and a lifetime of linguistic and lexicographical study In this book first published in 1990 the author presents a comprehensive critical study of the whole of Jonson's output from his earliest beginnings through to the final achievement Looking at every word he ever wrote in drama masque poetry philosophy and literary criticism the author reveals an interesting and varied picture of Jonson This title will be of interest to students of English literature and Renaissance drama The Staple of News ... Edited with Introduction, Notes and Glossary by De Winter, Etc Ben Jonson, De WINTER, 1905
