W. Green, 2024-09-16 The Spirit and the Song Pneumatological Reflections on Popular Music explores pertinent pneumatological issues that arise in music It offers three distinct contributions first it asks what if anything music tells listeners about God's Spiritedness Can the experience of music speak to human spiritedness the world's transcendentality or a person's own self transcendence in ways nothing else does or can Second this book explores how the Spirit functions within and even determines culture through music Because music is a profound human expression it can find itself in a rich dialogue with the Spirit Third and finally this book explores the contested status of music in Christian spiritual traditions It deals with music as inspired by the Spirit music as participation in Spiritedness and music as temptation of the flesh As such this book also engages music's placement in Christian spiritual traditions The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music **The Tribal Songs and Tales of the Ch'uan Miao** David Crockett Graham, 1978 **Tales and Songs Musically Arranged for Young Readers and Singers** John George Watts, 1873 Wind-harp Songs John William Lloyd, 1895 **Ballads of the Fleet** Rennell Rodd, 1897 Poke a Stick at It Connie Cronley, 2016-09-30 Open this book and who knows what will pop out the story of a gangland funeral a status report on an ex husband a meditation on cats and gardens a feuilleton about Native American fry bread or a thoughtful musing on old women
