Ballad of the Cool Fountain
Fountain, coolest fountain,
Cool fountain of love,
Where all the sweet birds comeFor comforting-but one,
A widow turtledove,
Sadly sorrowing,
At once the nightingale,
That wicked bird, came by,
And spoke these honied words:
"My lady, if you will,I shall be your slave."
"You are my enemy:
Begone, you are not true!"
Green boughs no longer rest me,
Nor any budding grove.
Clear springs, where there are such,
Turn muddy at my touch.
I want no spouse to love
Nor any children either.
I forego that pleasure and their comfort too.
No, leave me; you are false
And wicked-vile, untrue!
I'll never be your mistress
I'll never marry you!

The Shaping of the Book of Songs Chen Zhi, 2023-05-31 The present work is a study on the formation of the *Shih ching* The author poses the hypothesis that this collection of poems as the standard music and literature passed down to later generations initially incorporated different cultural heritages through a process which moved from ritualization to secularization as well as standardization to localization In aiming to find the origins of the division of the *Shih ching* into sections and subsections and their titles as Nan Feng Ya and Sung the author employs an interdisciplinary methodology combining ethno musicological methods with paleography philology and archaeology He draws on new archaeological data of the past two decades that has shed new light on the *Shih ching*
