

An abstract painting featuring a complex composition of geometric shapes and stylized human figures. The color palette is dominated by vibrant blue and deep orange, with accents of white and black. In the upper portion, several faces are depicted in a cubist style, with sharp angles and simplified features. Below these, large, angular shapes suggest the forms of figures or architectural elements. Two hands are visible, one in the center and one to the right, both rendered with white skin and dark outlines. The overall effect is one of dynamic tension and modernist abstraction.
