**The Star Mirror** Mark Vidler,1999-09 A duplicate pattern has appeared between the most brilliant stars in the sky and the highest mountains on our planet At the dawn of the new millennium the stars are aligning with the highest mountains on the earth The ancients predicted this would happen and understood its meaning This ancient vision of heaven on earth passed down to us through the ages has become a reality This study claims that the earth and sky have the same blueprint suggesting that there is a single divine plan uniting the terrestrial and celestial spheres
