A Separate Peace ,2011-05-27 *Solution-Focused Negotiation* Sapir Handelman,2024-03-29 This book is about an intensive form of peacemaking interaction in which the disputing parties agree to take time out from the routine of their daily life in order to negotiate solutions to their conflict The interaction has rules structure and a time frame This book is a social instrument for finding practical and enforceable solutions to conflicts in a limited time frame Most people experience conflicts in their daily professional and political life They tend to avoid dealing with these conflicts even when doing so causes them a great deal of suffering This book was written to introduce a powerful mechanism for conflict resolution Solution Focused Negotiation Dr Sapir Handelman has led directly and indirectly dozens of face to face and online Solution Focused Negotiations Dr Handelman his colleagues and students have helped many people to successfully resolve their conflicts The cases presented here reflect tensions frictions and struggles in nearly all dimensions of social life from family disputes to politics The goal of this book is to share this knowledge experience and expertise with scholars practitioners and the general public Current Law Index ,1986 **To Live Together** Unesco,1997 Based on a workshop held in 1997 this study looks at the psychological effects of the Palestinian Israeli conflict on children along with efforts to promote coexistence and tolerance in the region and initiatives for peace education *American Foreign Policy, Current Documents* ,1966 **Answers to Current Questions of Foreign Affairs** Erich Honecker,1972 *The Electrical Journal* ,1898

The Oxford Handbook of Irish Politics David M. Farrell,Niamh Hardiman,2021-09-01 Ireland has enjoyed continuous democratic government for almost a century an unusual experience among countries that gained their independence in the 20th century But the way this works in practice has changed dramatically over time Ireland's colonial past had an enduring influence over political life for much of the time since independence enabling stable institutions of democratic accountability while also shaping a dismal record of economic under development and persistent emigration More recently membership of the EU has brought about far reaching transformation across almost all aspects of Irish life But if anything the paradoxes have only intensified Now one of the most open economies in the world Ireland has experienced both rapid growth and one of the most severe crashes in the wake of the Great Recession On some measures Ireland is among the most affluent countries in the world yet this is not the lived experience for many of its citizens Ireland is an unequivocally modern state yet public life continues to be marked by formative ideas and values in which tradition and modernity are held in often uneasy embrace It is a small state that has ambitions to leverage its distinctive place in the Atlantic and European worlds to carry more weight on the world stage Ireland continues to be deeply connected to Britain through ties of culture and trade now matters of deep concern in the context of Brexit And the old fault lines between North and South between Ireland and Britain which had been at the core of one of Europe's longest and bloodiest civil conflicts risk being reopened by Britain's new hard edged approach to national and European identities These key issues are teased out in the 41 chapters of this book making this the most
