Speaking Of Faith:

Speaking of Faith Krista Tippett, 2008-01-29 A thought provoking original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett widely becoming known as the Bill Moyers of radio is one of the country's most intelligent and insightful commentators on religion ethics and the human spirit With this book she draws on her own life story and her intimate conversations with both ordinary and famous figures including Elie Wiesel Karen Armstrong and Thich Nhat Hanh to explore complex subjects like science love virtue and violence within the context of spirituality and everyday life Her way of speaking about the mysteries of life and of listening with care to those who endeavor to understand those mysteries is nothing short of revolutionary Faith Speaking Understanding Kevin J. Vanhoozer, 2014-01-01 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together Speak to It! Bishop Dr. Barbara Ward Farmer, 2014-09-18 *Speak to it* is the first non musical book of Dr Barbara Ward Farmer that deals with helping and assuring all readers that silence is not golden when you are sick beaten rejected or being denied of the essence and promise of life itself This book will give the reader a deeper insight on the authority and power one has to speak over speak into and speak about the walls barriers giants and death itself that often hinder block and even eliminate our faith in God to trust him to change our situations just by taking the courage to speak to those things that are not as though they were **The INTRAFaith Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters?** Susan Strouse, 2016-03-18 This crisp and cogent book by the Rev Dr Strouse is published at a time when both interfaith and intrafaith dialogue are critical to the vitality of spiritual

life in our nation As a parish pastor in a small struggling congregation I have become increasingly aware of the insularity and isolation of many of our parishioners This seems less the result of inadequate parish education as it is the byproduct of too many people getting their information from biased TV networks so called social media or word of mouth We parish pastors need to examine our internal intra congregational conversations about diverse faith traditions and how they bear on congregational mission I was particularly impressed by the author s use of footnotes and her extensive bibliography The book is a walking talking workshop in print with its detailed reflection discussion questions and suggestions for further reading Thank you Pastor Strouse for such a comprehensive presentation of how to approach constructively this timely and important conversation
