Spectacular Pools:

Spectacular Pools Francisco Asensio Cerver, Pere Planells, 2003-02-18 Few constructions better epitomize leisure and comfort than the swimming pool. Although at times pools serve landscaping or sporting functions, most often swimming pools are associated with lazy hours enjoyed under the sun in a bathing suit, the only concern being to finish a beverage before the ice cubes melt. *Spectacular Pools* presents a selection of some of the most stunning swimming pools in the world. Included are more than twenty-five inspirational pools located in both the coastal and inland United States, on the Mediterranean and in the Caribbean, Australia and Asia, providing a spectacular overview of different pool designs and creations from all over the world. [The Memory Pool](#) Therese Spruhan, 2019-11-01 Smell the chlorine, taste the hot chips and feel the burning concrete underfoot as you read these stories of Australian childhoods at the pool. Swimming is a central part of most Australian childhoods. We idealise beaches and surf, but for many kids the local pool, whether it's an ocean tidal or a chlorinated pool, is where they pass summer days. Pools are places of imagination, daring, belonging, freedom, friendship and romance. For some they are places of hard-core swimming training. This delightful nostalgic anthology brings together reflections and recollections about the swimming pools of childhood from a range of Australians of diverse ages and backgrounds, well known and not so famous, including Trent Dalton, Leah Purcell, Shane Gould, Bryan Brown and Merrick Watts. Evocative, funny and sometimes bittersweet, 28 people remember the pools that shaped their childhoods. Everyone who has ever dived into their local Olympic pool, bush waterhole or saltwater baths will want to submerge themselves in this beautiful book. *More Spectacular Pools* Marina Ubach, Pere Planells, 2003-07-01 Few constructions better epitomize leisure and comfort than the swimming pool. Although at times pools serve landscaping or sporting functions, they are most associated with relaxation and leisure. This new collection features dozens of innovative pool designs from the United States, Tuscany, Spain, Marrakech and more. Pools continue to challenge architects, landscapers and homeowners to create serene beauty and peace. *More Spectacular Pools* is just the book to inspire such plans. *Spectacular Pools* Francisco Asensio Cerver, 2003 **DK**
