## **Speed Of Dark:**

**The Speed of Dark** Elizabeth Moon, 2004-03-02 Thoughtful provocative poignant unforgettable The Speed of Dark is a gripping journey into the mind of an autistic person as he struggles with profound questions of humanity and matters of the heart In the near future disease will be a condition of the past Most genetic defects will be removed at birth the remaining during infancy Lou Arrendale a high functioning autistic adult is a member of the lost generation born at the wrong time to reap the rewards of medical science He lives a low key independent life But then he is offered a chance to try a brand new experimental cure for his condition With this treatment Lou would think and act and be just like everyone else But if he was suddenly free of autism would he still be himself Would he still love the same classical music with its complications and resolutions Would he still see the same colors and patterns in the world shades and hues that others cannot see Most important would he still love Marjory a woman who may never be able to reciprocate his feelings Now Lou must decide if he should submit to a surgery that might completely change the way he views the world and the very essence of who he is Tenth anniversary edition With a new Introduction by the author Praise for The Speed of Dark Splendid and graceful A lot of novels promise to change the way a reader sees the world The Speed of Dark actually does The Washington Post Book World A beautiful and moving story Elizabeth Moon is the mother of an autistic teenager and her love is apparent in the story of Lou He makes a deep and lasting impact on the reader while showing a different way of looking at the world The Denver Post Every once in a while you come across a book that is both an important literary achievement and a completely and utterly absorbing reading experience a book with provocative ideas and an equally compelling story Such a book is The Speed of Dark Fort Lauderdale Sun Sentinel A remarkable journey that takes us into the mind of an autistic with a terrible choice become normal or remain an alien on his own planet Mary Doria Russell author of The Sparrow A powerful portrait an engaging journey into the dark edges that define the self The Seattle Times

**Speed Of Dark** Elizabeth Moon, 2010-12-02 Lou has been told he is different to normal people He interacts with the world in a way they do not understand He might not see the things they see however but he also sees many things they do not Lou is autistic One of his skills is an ability to find patterns in data extraordinary complex beautiful patterns that not even the most powerful computers can comprehend The company he works for has made considerable sums of money from Lou's work But now they want Lou to change to become normal like themselves And he must face the greatest challenge of his life To understand the speed of dark **SPEED OF DARK** is a powerful near future thriller the theme of which is both universal and intensely personal It is dedicated to the author's own autistic son and to other parents of autistic children in the hope that they also find that delight in difference Speed of Dark Elizabeth Moon, 2002 Lou is different to normal people He interacts with the world in a way they do not understand He might not see the things they see however but he also sees many things they do not Lou is autistic One of his skills is an ability to find patterns in data extraordinary complex beautiful patterns that not even the most powerful computers can

comprehend The company he works for has made considerable sums of money from Lou's work But now they want Lou to change to become normal like themselves And he must face the greatest challenge of his life To understand the speed of dark SPEED OF DARK is a powerful near future thriller the theme of which is both universal and intensely personal It is dedicated to the author's own autistic son and to other parents of autistic children in the hope that they also find that delight in difference Find out more about this title and others at [www.orbitbooks.co.uk](http://www.orbitbooks.co.uk) *Science* John Michels (Journalist),1939
