Johnstone,2019-08-29 Fate bound them together but love will set them free With no chance of escape When Patience Kincaide learns she's being forced to wed for a third time she's desperate to compel her husband to be to stay away from her Both her previous husbands were shockingly cruel and she holds no hope this time will be different especially since the man is known as the Savage Slayer Her plan is simple pretend she's crazy But what happens when the man she thinks she wed

turns out to be hiding behind a facade cleverer than her own one that conceals passion she didn't believe possible and tenderness she never dreamed existed. What's a lass to do when the very man she successfully drove away is the only one she's ever wanted near? The best laid plans A second son relegated to life in the shadows Highlander Brodee Blackswell left home to serve as the enforcer for the King of Scots longing to one day govern his own lands and castle. And now that Brodee has become a legendary warrior the king grants him exactly that. But even rewards have a price. The castle comes with a broken albeit beautiful lass he must wed. Yet for a man with no desire to marry a woman lost in her own world might just be the best possible option. Except Brodee quickly discovers who Patience truly is and the complicated caring lass is awakening parts of himself he'd rather leave dead. May be their undoing. The potential of a dazzling future dangles just within reach for Brodee and Patience but dangers they never conceived consume them threatening their fragile newfound trust. Their only hope of survival is to shed their meticulously crafted masks and relinquish the pain of the past to embrace the promise of healing enduring love.

**Secrets of a Highlander's Heart** Julie Johnstone, 2024-04-25

Will the truth of the past destroy the hope of their future? How far will he go for vengeance? Brus Stone remembers nothing of his life before he was rescued at the age of five summers and brought to live as part of the Northern Watch. Having been told his mother abandoned him, he's about as willing to give his trust to a woman as he is to hand his sword to his enemy during battle. So when he's tasked with accompanying a group of highlanders through the treacherous lands, he helps patrol and he encounters a bonny lass who proves to be as brave as any warrior he's ever met. He's surprised by her pull to the lass and more than wary because of it. He steels himself against lowering his guard, but her open nature bemuses him and her caring heart entices him. Each time he touches her, he finds himself further drawn to the warmth she exudes and the possibility that believing in her will not result in betrayal. But a shocking revelation about his past obliterates everything he holds true and leaves him with a choice: give unwavering faith to the daughter of the enemy he didn't know he had or raise his guard once more and secure the ultimate revenge. How much will she lose for love? Grace MacDonald is starting to wonder whether she'll ever meet a man who sees her as an equal and not simply a potential wife to do as he bids. To complicate matters, her father wishes her to wed her childhood friend and fortify an important alliance between their clans. Though she wants to please her beloved father, her friend does not stir her heart or her desire, so she's reluctant to accept his offer of marriage. When the party she's travelling with is attacked and a Scottish warrior rescues her, she's immediately drawn to the powerfully compelling man. Not only does he display a gentle caring side, but he also listens to what she says and seems to value her opinions. His every look, touch, and kiss ignite her in the way she's been waiting for all her life. But Brus will not completely let her in. He has erected a barrier between them and the harder she tries to breach it, the more withdrawn he becomes. She's determined to prove to him that he can count on her, so they can grasp the glorious love she's sure awaits them. Yet when a devastating secret comes to light, she must decide whether her loyalty remains with the father she's always trusted or whether it belongs with the man she's
