State Feminism Womens Movements And Job Training Making Democracies Work In The Global Economy:

State Feminism, Women's Movements, and Job Training Amy Mazur,2013-01-11 Drawing from the work of internationally renowned scholars from the Research Network on Gender Politics and the State RNGS this study offers in depth analysis of the relationship between state feminism women s movements and public policy and places them within a comparative theoretical framework Spain France Italy Germany Finland Austria Belgium Canada and the U S are all discussed individually

State Feminism and Political Representation Joni Lovenduski,2005-11-24 How can women maximise their political influence Does state feminism enhance the political representation of women Should feminism be established in state institutions to treat women s concerns Written by experts in the field this 2005 book uses an innovative model of political influence to construct answers to these and other questions in the long running debate over the political representation of women The book assesses how states respond to women s demands for political representation both in terms of their inclusion as actors and the consideration of their interests in the decision making process Debates on the issue vary from country to country depending on institutional structures women s movements and other factors and this book offered the first comparative account of the subject The authors analyse eleven democracies in Europe and North America and present comprehensive research from the 1960s to the present The Politics of State Feminism Dorothy E. McBride,Amy G. Mazur,2010-10 Addressing essential questions of women s movement activism and political change in Western democracies

Abortion Politics, Women's Movements, and the Democratic State Dorothy McBride Stetson,2001-11-15 Abortion Politics Women s Movements and the Democratic State examines the impact of women s movements since the 1960s on the policy making processes determining abortion laws The impact of women s movements is assessed in terms of their success in increasing the democratic representation of women generally and movement organizations specifically Rather than asking how many women are in political office this study asks to what extent are women included in the day to day process of making decisions Of special interest in this project is the extent to which states through establishment of women s policy agencies have assisted opposed or ignored the demands of movement activists for access to power and for feminist abortion policies Researchers have examined these questions in policy debates over the last four decades in 11 advanced industrial democracies Austria Belgium Canada France Germany Great Britain Ireland Italy the Netherlands Spain and the United States The findings of this cross national longitudinal study document that women s movements have been successful in gaining both substantive and descriptive representation on abortion policy in a majority of the 32 debates studied The ability of women s policy offices to provide a necessary and effective linkage between women s movement activism and increased democratic representation in policy making varies both cross nationally and over time The openness of policy subsystems and the status of the parties on the left are factors that interact with variations in movement cohesion and resources to account for these variations Changing State Feminism J. Outshoorn,J. Kantola,2007-10-11 Most Western democracies established

women s policy agencies to improve the status of women by the 1990s One of the book s key questions is how have women s policy agencies been able to develop maintain or enhance their roles in the transformed political context and how have women s movements adapted to change in twelve states *Gendering the Knowledge Economy* S. Walby,H. Gottfried,K. Gottschall,M. Osawa,2006-12-06 Comparing the UK US Germany and Japan this book draws on innovative concepts of varieties of gender regime as well as varieties of capitalism The volume re thinks the processes of de gendering and re gendering of working practices in the context of both de regulation and re regulation of employment *Women's Citizenship and Political Rights* S. Hellsten,A. Holli,K. Daskalova,2005-11-29 Combining research theory and practice pan European perspectives and the disciplines of human rights sociology and politics this book offers a rare insight into the multiplicity of issues surrounding women s equality citizenship and political rights in transitional Europe and an expanding European Union From policy making to civil rights domestic violence and education experienced authors present innovative research analysis and suggestions for the future of women as participants in an evolving Europe *How Women's Movements Matter* Andrea Špehar,2007
