**The Most Amazing Stately Homes in Britain** Rose Shepherd (Writer of guidebooks), Reader's Digest, 2012 Britain's stately homes and grand houses are among its greatest treasures and The Most Amazing Stately Homes in Britain brings you the grandest and most magnificent eccentric and unusual of them all. This wonderfully illustrated regional touring guide describes each house and tells its story following the ebb and flow of fortune and fame. Every house has something that sets it apart from the rest: the magnificent four-storey Tudor tower set in world-famous gardens of Sissinghurst in Kent; sumptuous painted cloth wallhangings of romantic Owlpen Manor in Gloucestershire; superb topiary at Levens Hall in Cumbria; sinister myths of Blickling Hall in Norfolk; and the enchanting Great Garden of Edzell Castle in Scotland, created in 1604 to stimulate the mind and the senses. Discover ancient deer parks, exquisite collections of furniture, national treasures and breathtaking views to enjoy season by season and year round. The cover features Chatsworth in Derbyshire, one of Britain's most famous historic houses and the fastest growing paid for visitor attraction in 2010, with more than 716,000 visitors. In May 2012 Chatsworth featured in a popular three-part BBC1 documentary covering a year behind the scenes of the house and estate.

**Debrett's the Stately Homes of Britain** Sibylla Jane Flower, 1985    **Private Life in Britain's Stately Homes** Michael Paterson, 2012-09-06 The Victorian and Edwardian eras in the run up to 1914 marked the golden age of the English country house when opulence and formality attained a level that would never be matched again. The ease of these perfect settings for flirtation and relaxation was maintained by a large and well-trained staff of servants. Although those in service worked very long hours and had little personal freedom, many were proud of their positions and grateful for the relative security they gave. Indeed, the strictly hierarchical world below stairs could be more snobbish than that of a house's owners. Michael Paterson skilfully and entertainingly explores the myths and realities of this vanished world both upstairs and down.
