Bill James Presents the Great American Baseball Stat Book Bill James, John Dewan, 1987 **STATS Baseball**

Scoreboard, 1993 John Dewan, STATS Inc, 1993-02 Providing fans with an innovative overview of major league baseball this stat book gives answers that shed new light on the game richly illustrated with graphics designed by John Grimwade of Sports Illustrated Reveals what makes for an efficient defense what kind of team can t rally in the ninth inning and more

STATS Pro Football Handbook 2000 STATS Inc, 2000-04 STATS Pro Football Handbook tackles the NFL With career stats for every player who played a down in 1999 as well as in depth profiles identifying players strengths and weaknesses there is no question why this book is the official statistical resource of the NFL players We cover every snap pass run fumble interception kick score and tackle If it happened on the field it s in this book STATS Pro Football Handbook 2000 is a must have for anyone who is a fantasy team owner professional within the game member of the media covering the game or just a fan of football

Baseball Hacks Joseph Adler, 2006-01-31 Baseball Hacks isn t your typical baseball book it s a book about how to watch research and understand baseball It s an instruction manual for the free baseball databases It s a cookbook for baseball research Every part of this book is designed to teach baseball fans how to do something In short it s a how to book one that will increase your enjoyment and knowledge of the game So much of the way baseball is played today hinges upon interpreting statistical data Players are acquired based on their performance in statistical categories that ownership deems most important Managers make in game decisions based not on instincts but on probability how a particular batter might fare against left handed pitching for instance The goal of this unique book is to show fans all the baseball related stuff that

they can do for free or close to free Just as open source projects have made great software freely available collaborative projects such as Retrosheet and Baseball DataBank have made great data freely available You can use these data sources to research your favorite players win your fantasy league or appreciate the game of baseball even more than you do now

Baseball Hacks shows how easy it is to get data process it and use it to truly understand baseball The book lists a number of sources for current and historical baseball data and explains how to load it into a database for analysis It then introduces several powerful statistical tools for understanding data and forecasting results For the uninitiated baseball fan author

Joseph Adler walks readers through the core statistical categories for hitters batting average on base percentage etc pitchers earned run average strikeout to walk ratio etc and fielders putouts errors etc He then extrapolates upon these numbers to examine more advanced data groups like career averages team stats season by season comparisons and more Whether you re a mathematician scientist or season ticket holder to your favorite team Baseball Hacks is sure to have something for you Advance praise for Baseball Hacks Baseball Hacks is the best book ever written for understanding and practicing baseball analytics A must read for baseball professionals and enthusiasts alike Ari Kaplan database consultant to the Montreal Expos San Diego Padres and Baltimore Orioles The game was born in the 19th century but the passion for its analysis continues to

grow into the 21st In Baseball Hacks Joe Adler not only demonstrates that the latest data mining technologies have useful application to the study of baseball statistics he also teaches the reader how to do the analysis himself arming the dedicated baseball fan with tools to take his understanding of the game to a higher level Mark E Johnson Ph D Founder SportMetrika Inc and Baseball Analyst for the 2004 St Louis Cardinals **STATS Pro Football Revealed, 1994** STATS Inc, STATS, Inc.
