Committee on Government Reform and Oversight, 1995 **The Status of Efforts to Identify Persian Gulf War Syndrome** House of Representatives, 2014-01-16 The problems of Persian Gulf war veterans challenge the Federal Government's capacity to care Faced with an alarming variety of symptoms and possible pathologies the Department of Veterans Affairs and others have since 1991 undertaken an impressive number of studies to explore the illnesses suffered by Gulf war veterans But so far studies lead only to more studies and clinical data yields more hypotheses than conclusions These oversight hearings will examine how ongoing efforts to diagnose treat and compensate Gulf war veterans can be more sharply focused and more imbued with the same sense of urgency with which we committed our troops to that war Without that focus without that urgency we risk literally studying the problem to death *The Status of Efforts to Identify Persian Gulf War Syndrome: Hearings Before the Subcommittee on Human Resources and Intergovernmental Relations of Th* United States Congress House Committee, 2018-03-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available
