**Game On! The Team Girls guide to keeping teenagers active.** Suncorp,2019-08-20 She says she is not sporty and doesn't like sport. She says she is not good enough to make the team. She doesn't want to play anymore because it's gotten too serious. She wants to quit because life is too busy. When it comes to girls and sport, these are all problems that most parents, coaches, or mentors face at some stage. Girls dropping out of sport is an issue that needs addressing as over half of girls turn their back on sport by the age of 17. It's also the reason that the Suncorp Team Girls program was established because our research also tells us that sport makes girls feel more confident. It plays a critical role in nurturing their perseverance, resilience, and confidence—essential skills teen girls need now and in the future. Team Girls is committed to keeping girls in the game and decreasing the dropout rate in sport. Team Girls is dedicated to fostering and promoting girls' participation in sport. It's about girls supporting girls, building up their confidence, and knowing they're stronger when they stand together on and off the court. And it's why our Team Girls Ambassadors Clare McMeniman and Rebecca Sparrow have penned the Game On book, a guide to keeping our girls playing sport.
