## **Staying Ok:**

*The Management of Safety* Valerie Sutherland, Peter John Makin, Charles Cox, 2000-04-11 The challenge to improve safety at work remains a key concern of many organizations as traditional approaches to safety in organizations have not had the anticipated impact of reducing accident rates at work As the authors of this new book show the existing methods of attempting to enhance safe performance have very limited efficacy The Management of Safety reviews the main theories underlying safety management and their application to developing safe behaviour and provides an introduction to the new behaviour based approach to safety management and quality improvement Throughout the text useful examples and illustrations are included to show the need for this new approach This book should be read by anyone with an interest in or responsibility for safety in the workplace and by academics and students of human resource management and organizational behaviour and occupational psychology

**Changing Behaviour at Work** Peter J. Makin, Charles Cox, 2004 This is a theoretically based practical guide to true organizational behaviour patterns It shows how to identify undesirable behaviours measure them analyse why they are occurring and implement strategies to change them

**Mothertime** William J. Wood, Jr., William J. Wood, 2004 The experiment has begun Eerotamine is a neurotransmitter that literally transports the subject back to the womb back to a mother's all encompassing love Can erotamine reverse criminality Can it stop wars The U S Department of Justice among others wants to know And they'll stop at nothing to find out Jonas Watchman is a CEO Harold Conners is a pediatric heart surgeon They have two things in common they have broken the law and they have made a deal to get out of jail At precisely 10:00 pm every evening Jonas and Hal get higher than any junkie could imagine Is it God's voice in their ears This might be love in liquid form but watch out for the side effects News reporter Rebecca Morningstar is a long way from her home on the Nez Perce reservation The big city success she has worked for to make her mother proud is eating a hole inside her She faces her first big assignment with pride and fear An execution a very strange execution Now she must find out why a condemned man in the final seconds of his life could speak to her in a tongue that no white man knows God has a gift for you Her search for an answer will take her even further from the Idaho skies of her home Now her experiment has begun

**Marxism, Mysticism and Modern Theory** Suke Wolton, 2016-07-27 Fashionable new theories tend to reject universal reason in favour of pluralism and locality Marxism Mysticism and Modern Theory examines some of these theories and argues that they are the mystified expression of the current political and economic impasse Today's relativistic outlook reveals a minimalist and atomized viewpoint a retreat from the goal of rational understanding Marxism Mysticism and Modern Theory sets out in this critique the case for developing a new humanism to extend rationality

**The Autonomous Adult and Karma-Yoga** Tulsi Bhandari, 2013-05-24 The book must be of use to those who look for deeper ways of living and self development or who are educationists psychologists and spiritual seekers It will take the reader beyond the mental psychological insights provided by the method of transactional analysis for understanding and improving relationships as

devised by Eric Berne to the spiritual realms wherein hide the true meaning and purpose of human life works relationships and growth The book will be of interest to those who wish to derive from the spiritual method provided by the Gita the meaning of yoga as applied to human life and its importance in achieving peace and joy amid the contradictions and conflicts faced by the seeker The writer has studied and followed Sri Aurobindos extensive writings on Indian spiritual traditions which make the foundation of his integral yoga seeking a complete preparation of human life for enlarging and receiving a higher truth consciousness and a transformation of human life on earth which must be mandatory for the flowering of such an aspiration The book reflects a synthetic approach centered around the Gita and some subtle psychological observations about the traditional and current Indian societal patterns
