Stealing Sunlight Growing Up In Irishtown:

Precarious childhood in post-independence Ireland Moira Maguire,2013-07-19 This fascinating study reveals the desperate plight of the poor illegitimate and abused children in an Irish society that claimed to cherish and hold them sacred but in fact marginalized and ignored them It examines closely the history of childhood in post independence Ireland and breaks new ground in examining the role of the state in caring for its most vulnerable citizens Maguire gives voice to those children who formed a significant proportion of the Irish population but have been ignored in the historical record More importantly she uses their experiences as lenses through which to re evaluate Catholic influence in post independence Irish society An essential and timely work this book offers a different interpretation of the relationships between the Catholic Church the political establishment and Irish people important for those interested in the history of family and childhood as well as twentieth century Irish social history

Stealing Sunlight Angeline Kearns Blain,2000 **Letters of the Catholic Poor** Lindsey Earner-Byrne,2017-01-11 This innovative study of poverty in Independent Ireland between 1920 and 1940 is the first to place the poor at its core by exploring their own words and letters Written to the Catholic Archbishop of Dublin their correspondence represents one of the few traces in history of Irish experiences of poverty and collectively they illuminate the lives of so many during the foundation decades of the Irish state This book keeps the human element central so often lost when the framework of history is policy institutions and legislation It explores how ideas of charity faith gender character and social status were deployed in these poverty narratives and examines the impact of poverty on the lives of these writers and the survival strategies they employed Finally it considers the role of priests in vetting and vouching for the poor and in so doing perpetuating the discriminating culture of charity
