## **Stealth Tax Strategies For Business Owners:**

**The Pocket Small Business Owner's Guide to Taxes** Brian Germer, 2012-11-13 When does nontaxable business income become taxable? How do you calculate the cost of goods sold? What can be deducted? What is a fixed asset? This no-nonsense guide answers these common questions and more, empowering small business owners to understand how and why they are taxed and maximize their deductions. You'll learn when depreciation begins, how to classify payments to employees, how to track inventory and sales, and strategies for successful accounting. Coverage also includes Tax benefits for employers, Business classifications, S corporation tax issues, Deductible expenses, Retirement plans, Shareholder loans, Family employee payroll. And more. Taxes can be intimidating and confusing, especially for a small business owner who may have only handled individual taxes in the past. Understanding the tax system is essential for all small business owners, whether they are filing on their own or with the help of an accountant. When it comes to running your finances, knowledge is power. *Stealth Tax Strategies for Business Owners and Managers* National Institute of Business Management, Incorporated, 1998-04-01

## **New Strategies for Reputation Management**

**New Strategies For Reputation Management** Andrew Griffin, 2008 *New Strategies For Reputation Management* shows you how to take the initiative in strategically managing your business's reputation. Author Andrew Griffin shows that standard thinking on reputation management is often inadequate for today's information age and reveals a host of new and robust techniques and methods to ensure your company's reputation can withstand the major crises and unforeseen events which may try to engulf it. Only 31% of people trust business leaders to tell the truth according to a survey conducted by the Institute of Business Ethics. A damaged reputation can have severe knock-on effects on the bottom line and most corporates value their reputations accordingly. Covering both practical and strategic issues, *New Strategies For Reputation Management* will demonstrate how you can deal effectively with unexpected crises and what strategies you should be implementing to build your company's good reputation at other times. With international case studies and hundreds of examples drawn from the author's extensive experience in the field, this book is an effective guide to the field which will enable you to manage your company's reputation for success.

**The New Rules of Retirement** Robert C. Carlson, 2016-03-29 Create the retirement you desire with proven financial strategies. *The New Rules of Retirement* throws away the rules of thumb clichés and obsolete ideas. It provides a proven, updated approach to retiring successfully in today's world. In this new second edition, based on independent, objective research, retirement expert Robert C. Carlson uses proven, profitable techniques to coordinate all the factors that lead to financial security and independence.
