Steam Steel Stars Americas Last Steam Railroad:

Steam Steel and Stars Tim Hensley, 1987-05-15 Ninety photographs with captions present the activities of the Norfolk and Western Railway the last major railroad in America to use steam power Most of the photographs were taken at night and Thomas H Garver s afterword includes description of Link s methods of flash photography **The Railroad Photography of Phil Hastings** Tony Reeve, 2023-05-30 The Railroad Photography of Phil Hastings explores the life and influential work of Dr Philip R Phil Hastings 1925 1987 Along with his contemporaries Hastings changed the way we look at the North American railroad Influenced by the photojournalistic movement that developed during their childhoods these visionaries expanded their work from traditional locomotive roster and action shots into a holistic view of the railroad environment Collated by Tony Reeve The Railroad Photography of Phil Hastings features 140 full page black and white photographs from throughout Hastings s career and includes an introduction that explores Hastings s life and work including his relationships with noted author and editor David P Morgan and photographer Jim Shaughnessy The Railroad Photography of Phil Hastings represents a major contribution to the historical record of the life and work of this remarkable photographer whose images shaped how we perceive and experience railroads throughout North America Rails Across Dixie Jim Cox, 2010-11-17 Covering legendary and obscure intercity passenger trains in a dozen Southeastern states this book details the golden age of train travel The story begins with the inception of steam locomotives in 1830 in Charleston South Carolina continuing through the mid 1930s changeover to diesel and the debut of Amtrak in 1971 to the present Throughout the book explores the technological achievements the romance and the economic impact of traveling on the tracks Other topics include contemporary museums and excursion trains the development of commuter rails monorails light rails and other intracity transit trains the social impact of train travel and historical rail terminals and facilities The book is supplemented with more than 160 images and 10 appendices *Steam, steel [and] & stars* O. Winston Link, 1991 **USA by Rail** John Pitt, 2008 Fully updated to take into account route and timetable changes this is the only book specifically designed for US train travel Rugged charm sets the train apart from more mundane means of transport and its low environmental impact is of particular current interest Pampered by helpful attendants you can travel from coast to coast explore the Rocky Mountains and ride directly alongside two oceans Less expensive than flying and more comfortable than the bus the train keeps you relaxed and in touch with an ever changing landscape as the world becomes a framed but moving picture *The Grove Encyclopedia of American Art* Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries *20th Century Photographers* Grace Schaub, 2014-11-13 This book is a compilation of interviews and essays that cover a broad range of photographers and photographic disciplines Each photographer profiled made a living by concentrating on a specific aspect of the craft but in doing so transcended their livelihood to become recognized for more than the type of images they created Each had a distinct style creative approach

dedication to the craft point of view about themselves and the world These interviews were conducted during a seminal period in the shift from film to digital and from print reproduction to global distribution on the Internet Just like their photographs continue to inspire today now these pros words can live on as an invaluable reference for the photographers of the future The truth and wisdom in this collection transcend time and technology **Railroad History** ,2007
