**The Evolution and Significance of the Powered Bulk Carrier** Roy Fenton, 2023-04-03 The book is the first to detail the 170 year evolution of the powered bulk carriers which continue to have a major role in the world's trades and economies. Their design and technological development is traced from the screw colliers of the 1850s which revolutionised the British coastal coal trade. The same engineering principles were applied to produce ocean going steam and later motor tramps. By the end of the 19th century the capabilities and economies of these black freighters had captured from the sailing ship much of the world's trade in bulk commodities. In the second half of the 20th century the tramps in turn evolved into multi purpose dry bulk carriers. These workhorses of the sea transport commodities including metallic ores, grain, coal, timber and other minerals. Quantities of up to 400 000 tons are carried in the largest specialised ore carriers. In a parallel development applying the same technical principles produced smaller yet efficient steam and later motor coasters which came to dominate short sea shipping. The book concludes with a discussion of how the economies of transportation provided by bulk carriers have had profound effects on industrialisation, globalisation and the world's economy and discusses the environmental impact of these ships.

The Steam Collier Fleets Jim A MacRae, Charles Vincent Waine, 1990. This book was begun by Captain Jim MacRae aboard the Thames up river collier HACKNEY and with Dr Charles Waine produced this companion volume to *Steam Coasters Short Sea Traders*. A book to delight the coaster enthusiast, model maker or just about anyone who likes pictures of ships. A definitive work. *SEA BREEZES* A full history of the colliers and coasters in the coal trade of the British Isles and near Continent covering over 800 owners, 1200 ships and the harbours built to serve them, illustrated with 93 ship plans and coloured profiles, 5 photos, some in colour and 53 sketches, harbour maps and charts.

*Our Fleet To-day and Its Development During the Last Half-century* Sydney Marow Eardley-Wilmot, Sydney Marow Eardley-Wilmot, 1900. **United States Shipping Board and Emergency Fleet Corporation** United States. Congress. House. Select Committee of Inquiry into Operations, Policies, and Affairs of the United States Shipping Board and Emergency Fleet Corporation, 1925. Contains exhibits related to the investigation of the operations, policies and affairs of the U S Shipping Board and the U S Shipping Board Emergency Fleet Corp.
