*The Uses of the Old Testament in the New* Walter C. Kaiser,2001-12-03 The debate over whether New Testament writers were entirely accurate in their quoting from the Old Testament has raged since before the turn of the century This fundamental question has been one starting point in thought for both redaction and canon criticism A majority of contemporary scholars have even agreed that New Testament writers and readers permissively interpreted the Old Testament text Author Walter Kaiser Jr elucidates how this state of doctrinal affairs came about He references the Old Testament text for accurate exegesis and content to answer the one question symbolizing the entire work Have the New Testament writers fairly cited the Old Testament quotations according to their real truth intention and original writer's meaning in their attempt to show that the Messiah and many of the events in the first century A D church had indeed been anticipated by the O T writers The apostles preached and wrote while utterly convinced that Old Testament writing had anticipated the marvelous events they proclaimed Did they give meaning to meaningless Old Testament texts Did they squeeze fulfilled prophecy out of a dry passage These are the central questions answered in this work The Kingdom of the Yellow Robe Ernest Young,1898 The Kingdom of the Heavens Francis John Bodfield Hooper,1876 **The Complete Works of Geoffrey Chaucer: Romaunt of the rose.
