policies and practices of members is a fundamentally important activity of the World Trade Organization All WTO members
are reviewed at regular intervals according to their share of world trade Each Trade Policy Review consists of three parts a
report by the government under review a report written independently by the WTO Secretariat and the concluding remarks
by the chair of the Trade Policy Review Body A highlights section provides an overview of key trade facts Looking Beyond
Tariffs Organisation for Economic Co-operation and Development,2005 The world economy is still far from the textbook
model of unfettered trade of a global market place without barriers Non tariff barriers to trade at and behind the border have
been lowered significantly in the course of successive trade negotiations but more can be done The studies in this volume
review concerns that exporters and governments have raised about market access They analyse where and why certain non
tariff measures are being applied to traded goods that are covered by multilateral rules and disciplines and how they
continue to represent challenges for exporters and policymakers The specific measures examined are prohibitions and quotas
non automatic import licensing schemes customs fees and charges and export restrictions **Report** India. Department of
