**Release** Bart Steib, 2005-08 We live in a self evident age where the issue of the day is whether life has any meaning. *RELEASE* is about the works in our natures. Are these works self evident or revealed to us? Can you play the game of golf with a self evident nature known only to the senses or do you need a test to know you are truly playing? Do you need to be free to pass the test? *RELEASE* explores the passion in the game of golf which drives the player forward. It's a passion which will compel you to wonder whether you are really striking the ball at all. Is the game of golf and life itself originating in your soul? Are you passing the tests of life because you are free and therefore can see the abundance you need to drive out all excuses? So much of life and golf is the abundance you need to drive out all excuses. Is that possible? My book says data can never be the absolute answer to striking the ball in the game of life. There is another answer which eliminates all excuses and that answer is the meaning of *RELEASE* a meaning that will surely not leave you alone on your journey inside being. Quotes: Golf swing is so simple we can't do it. Golf swing is a motion we try to perfect but can't feel. There are no parts to the golf swing, it's all one motion. When the club is released there is no fear. All quotes are attributed to Mike Wynn PGA Pro.
