## **Speech For Effective Communication:**

**Effective Communication & Public Speaking** S.K. Mandal, 2006-01-01 Effective communication is the key to success in life. In this competitive age a lot depends on how a person is able to relate to others. This book is about verbal communication and the art of public speaking. Students desirous of improving their communication skills as well as those seeking to make a headway in their career will find this book useful. The book is designed in such a way so that even those with an elementary knowledge of English will be able to learn how to communicate effectively.

**Speech for Effective Communication** Holt Rinehart & Winston, 1998-02

**Effective Speaking** Christopher Turk, 2002-11 Effective Speaking provides the hard scientific information about audience psychology, text preparation, presentation methods, voice production, body language and persuasive advocacy which will help would-be speakers improve their performance. The emphasis throughout is on practical self-help on methods which have been shown to work with clear explanations of just why they are effective.

**COMMUNICATE OR COLLAPSE** PUSHP LALA, SANJAY KUMAR, 2007-10-12 Effective communication is of immense significance to all organizations as the professional world thrives on its capacity to be articulate and expressive, innovative and improvising. The book, based on the vast and variegated experience of the authors gathered while training thousands of aspiring professionals, discusses how to hone the career management skills such as writing good resumes, presenting oneself in job interviews and making a good impression in group discussions. The text explains in detail all the elements of communication, for example, different types of speeches, group discussions and interviews. The book also deals with the art of developing a speech in a planned manner, preparing an outline and writing catchy introductions and emphatic conclusions. In addition, it shows how to combat nervousness in a scientific manner and use microphones and lecterns.

**KEY FEATURES** Gives a number of sample speeches, model interviews, model group discussions. Provides cartoons and illustrations throughout the text that make the book interesting to read. Gives tips to employ body language, audio visual aids, humour, wit and quotations. Contains in-depth discussion on communication anxiety and its management. Intended primarily for courses in public speaking, communicative English and managerial communication, this practical text should also be of great utility and worth to students who have to appear for civil services examination at the interview and those pursuing professional courses in their group discussion part. Finally, it would be of help to all those who wish to engage themselves in debates and public speaking.
