## **Speeders Guide To Avoiding Tickets:**

A Speeder's Guide to Avoiding Tickets James M. Eagan, 1990 Regardless of your record as a driver everyone speeds sometimes You are on the open road no one around for miles and so you step on the gas pedal Then you experience a sinking feeling in the pit of your stomach and in your wallet when you see a flashing red light in the rearview mirror Now you can ease on down the road without paying the high price of traffic tickets inflated insurance premiums and expensive lawyer fees Former New York State Trooper James M Eagan tells you how with invaluable tips and trade secrets that the police don't want you to know What makes a cop tick and how to use it to your advantage What dates and times are safest to step on the gas and when you are most likely to get caught How to avoid talking yourself into tickets What stories and excuses will often work How to spot an unmarked car Clipping the wings off The Bear in the Air And much more Whether you drive for business or pleasure or simply suffer from occasional leadfoot you cannot afford to be without this book

**A Speeder's Guide to Avoiding Tickets** James M. Eagan, 1991-02-01     *Boating* ,1992-06     **Beat the System: Tips On Getting Speeding ticket and Traffic Light tickets Dismissed** Bo Simpson, 2014-06-05 If you are a driver on the road you already know the trouble that one can get into when dealing with a speeding ticket It is something that no matter how careful you think you are being you will have to deal with at some point in your driving This can be from you rushing to work or becoming distracted while driving There are a number of ways that you can either avoid a ticket or if you get one fight it and get out of having to pay it This book will show you a few of the ways that getting out of a ticket can be accomplished and the best part is most of them are 100% free No one will argue the fact a speeding ticket will ruin a persons day and can even damage your driving record as well as increase your insurance rates Police are getting smarter with the tricks that they use in catching a speeder this in turn means that you as the driver need to be smarter in avoiding getting caught speeding One trick that seems to work is that cops will often target those that are driving a fancy sports car While it is not the standard rule most cops will not even try and target a car that looks old and beat up Unless you are just tearing up the road and it is obvious that you are speeding you can generally sneak getting about five miles over the speed limit if you are driving a car that looks like it would fall apart if you tried to speed in it This is one of the tricks that you will learn about in this book It is not a book that will tell you how to get away with blatant speeding but will help you in avoiding those tickets that you just barely were speeding to earn yourself For any driver the thought of a speeding ticket is something that can stop them in their tracks There are a number of ways that the cops are able to catch speeders and just as many ways that a person can get out of a ticket if they know the tricks knowing the ways that radars work will help you to know how to get past them and not get caught speeding If you are caught speeding this report will give you the advice you need to get out of the ticket and get on with your life
