Sociology Jean Stockard,2000 SOCIOLOGY DISCOVERING SOCIETY 2nd provides comprehensive coverage of sociology in an affordable paperback format With research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach Instead of presenting every possible theory for each issue Stockard s streamlined approach pulls in theories only when they appropriately relate to the issue at hand This integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts

Mastering the Machine Revisited Ian Smillie,2000 Mastering the Machine Revisited is about the connection between poverty aid and technology It is about the search driven today by greater extreme poverty than has ever been known and by a realization that the

technologies applied to the problem have severe limitations
