## Staying In:

*Illegally Staying in the EU* Benedita Menezes Queiroz, 2018-02-22 Principally this book comprises a conceptual analysis of the illegality of a third country national's stay by examining the boundaries of the overarching concept of illegality at the EU level. Having found that the holistic conceptualisation of illegality constructed through a combination of sources both EU and national law falls short of adequacy, the book moves on to consider situations that fall outside the traditional binary of legal and illegal under EU law. The cases of unlawfully staying EU citizens and of non-removable illegally staying third country nationals are examples of groups of migrants who are categorised as atypical. By looking at these two examples, the book reveals not only the fragmentation of legal statuses in EU migration law but also the more general ill-fitting and unsatisfactory categorisation of migrants. The potential conflation of illegality with criminality as a result of the way EU databases regulate the legal regime of illegality of a migrant's stay is the first trend identified by the book. Subsequently, the book considers the functions of accessing legality both instrumental and corrective. In doing so, it draws out another trend evident in the EU illegality regime: a two-tier regime which discriminates on the basis of wealth and the instrumentalisation of access to legality by Member States for mostly their own purposes. Finally, the book proposes a corrective rationale for the regulation of illegality through access to legality and provides a number of normative suggestions as a way of remedying current deficiencies that arise out of the present supranational framing of illegality. **Staying in Touch** Joel S.

Savishinsky, 1984 **The Great Prajna Paramita Sutra, Volume 1** Naichen Chen, 2017-03-13 praj na transcendental wisdom pa ra mi ta ferrying over to the other shore perfection. The Heart Sutra and the Diamond Sutra are essential reading for those who practice Buddhism. Over the past thirteen centuries, however, the larger work to which they belong has been available only in Chinese. Now for the first time, English speakers can access the first twenty fascicles of The Great Prajna Paramita Sutra, regarded as the largest canon in Buddhism. The Great Prajna Paramita Sutra demonstrates how one can become a bodhisattva and eventually a Buddha, transcending self-interest to reach a state of emptiness, selflessness, and nonattachment. Regardless of where you are on the path to enlightenment, you'll be nourished by the parables and dialogues within.
