In this book Tesser shows everyone concerned: How to disinherit the federal government; How Trader Status is upheld even under audit; How to augment underfunded retirement plans; How to master the basics of estate tax planning; How to integrate the triple crown; Tesser's latest strategy for tax avoidance and wealth accumulation into your trading plan; and much more. Keep the profits you work so hard to earn, whether from trading, investing or hard work, and take control of your financial destiny. *The NEW Trader's Tax Solution* has put years of experience at your fingertips. With the triple crown you will learn how to unleash the full power of Trader Status by combining it with a Trading Entity. You will also learn how to establish a Welfare Benefit Trust to accomplish all these goals and more. This program enables you to take advantage of little known facets of the tax law that have been on the books for almost three quarters of a century. You will learn how to contribute and deduct substantial amounts of money over any period of time, grow the principle in a fully tax deferred 100% secure environment, access the money at a future date not limited by age, income or retirement plan status, avoid the restrictions of ordinary retirement plans by using the same techniques that have been used by America's largest corporations since 1928.
