Walk With Me Dr G Alan Coler, 2020-03-02 The title Walk with Me really tells the story of how discipleship has worked best from the time Jesus first chose his disciples and how it still works best today Jesus started with a small group of people he called to be his disciples then he taught them the purpose of the work of the Father and the steps to making the kingdom of God known to those around them Jesus's method of teaching his disciples was to walk with them through this process He did this through everyday settings that all of us still experience today Jesus did preach and teach but he was also invited into people's homes went to weddings and sometimes spent quiet times alone with his disciples This is where the teaching of discipleship happened Jesus ate with people he touched people Jesus told stories and even let people get close enough to see the places where he had been hurt the worst All of this was to help his disciples grasp ways to teach others the closeness of the kingdom This is how discipleship works today We walk with people as they develop from observers of Christ to Christ followers then take the next step to becoming a disciple of Jesus The disciple today needs to walk with people through each of these steps Only by walking together can we intentionally teach new disciples the importance of serving Jesus where they are right now and how to use the same situations Jesus used to help people understand the love and closeness of God Alan

Walking in

Discipleship Tara Rye, 2014-04-16 WALKING IN DISCIPLESHIP follows the journey of the disciples as Jesus called them to Come and follow Me Peter James John and the other nine disciples enjoyed rare candid moments with Jesus as eyewitnesses From the moment that Jesus called each of them to follow their lives were drastically changed Follow Me summed up so much more than just walking where Jesus walked Follow Me meant listening and observing how Jesus interacted with people Follow Me implied do what I do and say what I say Follow Me challenged the core belief systems within their hearts and within their culture Walking in discipleship was not an easy journey The disciples struggled with each other serving faith prayer and walking in obedience But in the end they obeyed picked up their cross and remained faithful to what Jesus asked of them becoming lives that changed lives WALKING IN DISCIPLESHIP is not a commentary or a book on the lessons Tara has learned It provides a basic retelling of the passage and uses in depth questions for the reader to examine the passage to discover firsthand the lessons the disciples learned Tara will not give you the answer but provide you the tool to discover truths for yourself You will read the biblical narrative answer questions draw out a story sequence practice re telling the passage in your own words and discover basic questions to use for group discussion WALKING IN DISCIPLESHIP is a simple tool to get you into the passage to discover how the disciples walked with Jesus If you are someone that wants to hear from God directly and not learn truths from someone else or if you are a small group leader looking for a way to walk through the journey of discipleship that the disciples walked with Jesus then this book is for you **A History of the New Testament Times** Adolf Hausrath, 1880
