Harriet Tubman University Press, 2020-01-16. University Press returns with another short and captivating portrait of one of history's most compelling figures, Harriet Tubman. Harriet Tubman was born a slave but found her way to freedom. Yet she was not satisfied to stop at merely attending to her own welfare. As a conductor on the Underground Railroad, she risked her life to help many others to escape the degradation of slavery, too. Becoming one of the key players in the abolitionist movement, Harriet Tubman brought intelligence, courage, and persistence to the monumental task of overcoming slavery. Her story is an inspiration, a remarkable story of loss, compassion, and grit. This short book tells the intensely human story of a woman who has changed the world in a way that no one else could.

Monuments of the Black Atlantic Joanne M. Braxton, 2004. With Aldon Nielson, the editors of this volume agree that the middle passage may be the great repressed signifier of American historical consciousness. The essays collected here illustrate that the repressed memory of crossing lives not only in the academy, in oral traditions, and in the stone walls of slave fortresses, but in the liturgy, as well as the spiritual and religious practices throughout the African Diaspora. Descendants of African slaves living in the wide Diaspora are bearers of an unforgettable strength that endures and endures, manifesting itself in every aspect of culture. Black writers, artists, and musicians in the New World have tested the limits of cultural memory, finding in it the inspiration to speak the unspeakable.
