**Stumbling Blocks and Other Unfinished Work** Delores Phillips,2023-10-15 Stumbling Blocks expands and contextualizes the unpublished works of the late African American writer Delores Phillips Born in Cartersville Georgia in 1950 Delores Faye Phillips spent much of her childhood in Georgia before moving to Cleveland Ohio Best known for her 2004 novel The Darkest Child which follows the Quinn family as they attempt to survive and escape racism lynchings and poverty in Jim Crow Georgia during the 1950s Phillips wrote much more than that While the novel was met with critical acclaim little is known about Phillips herself or about her other writings Indeed in the 2018 reissue of The Darkest Child Tayari Jones remarks in the introduction that when she heard Phillips had passed away in 2014 she was weighted down with longing for the other books that she would never write This volume then corrects the misconception that The Darkest Child was Phillips s only published work Rather it establishes her as an experienced and prolific writer who created multi genre literature throughout her life It paints a broader picture of Phillips who was not just a novelist but also a poet and short story writer as well Just as Alice Walker s recovery work on Zora Neale Hurston in the 1970s was critical to a revival and appreciation of Hurston as a genius of the South Stumbling Blocks illuminates and expands the legacy of an underrepresented writer who is uniquely situated at the intersections of multiple identities including race gender disability and region In addition to the sequel to The Darkest Child this collection also includes an unfinished third novel No Ordinary Rain ten poems seven short stories contextualizing essays and an in depth biography of Phillips It is also bookended by a foreword from Phillips s sister Linda Miller and an afterword from renowned literary scholar Trudier Harris

**Beyond the Innocence of Childhood: Helping children and adolescents cope with life-threatening illness and dying** David Walter Adams,Eleanor J. Deveau,1995 Death is not a mere possibility but a certainty for all of us Yet today s society unrealistically portrays childhood as a time of unremittant joy and freedom Unfortunately the reality of life may suddenly bring children face to face with tragic circumstances such as the death of their pet the terminal illness of their

parent their own struggle with life threatening disease the accidental death of their sibling or the suicide of a friend The gravity of any of these situations takes children beyond the innocence of childhood and plunges them into a world that is frightening and full of uncertainty Unfortunately our perceptions and attitudes toward death do not equip children with the tools to help them cope adequately with such overwhelming experiences Beyond the Innocence of Childhood is a collection of forty chapters which are divided into three separate volumes The overall purpose of this series is to answer the question How do we as educators clinicians other professionals and parents help children and adolescents deal with threat to their lives dying death and bereavement In this three volume set the editors have brought together a number of well known educators researchers and practitioners who share their knowledge and expertise concerning the care and well being of children and adolescents Modern Nursing Home ,1973 *Story Writing in a Nursing Home* Martha T.
