

A surreal beach scene at sunset. In the foreground, a black suit jacket hangs from a wooden hanger on a thin wooden pole stuck in the sand. To the right, a geometric pattern of concentric squares is drawn in the sand. In the background, waves with green-tinted foam break onto the shore. The sky is filled with dramatic, orange and yellow clouds.

## **Strange Catharsis:**

**Three Days of Catharsis** Atrayee Bhattacharya, 2016-07-19 The story revolves around the reminiscences of Katyayani Krishnan an NRI girl from Singapore who comes to IIM Kolkata on a student exchange program She is born to a Bengali mother and a Tamil Iyer father A sarcastic interactive session with two IIM officials needles her to start questioning her identity Furthermore when her maternal grandfather introduces her to the norms of a patriarchal society she reminisces about several incidents where her parents pedantically make her understand that she is a cultural blend and unique Her cathartic journey continues when she meets her homophobic cousin Thia A series of conversations makes Katyayani to reveal the nitty gritty of an intercultural family her learning process to speak a multitude of languages how God provided her a channel to start eating non vegetarian food and most importantly her fun filled journey amidst the behavioral and cultural differences between her bloodlines The story continues with her past chequered love life with a Bengali cultural bigot Sudhanshu marking an attendance in her present Amidst the god fearing family members Katyayani reveals her open relationship with God and her concept of spirituality to Thia Even after knowing the minutiae of her life when Thia still questions her identity she finds her mind free from befuddlement She defines the true meaning of culture to Thia she declares her accomplishments as her virtue and she redefines her identity as an outcome of true love and a cultural blend This book is an effort to bring about the monumental change in humanity to grow and survive as homo sapiens and not to cling on to a particular language or culture to define ourselves Strange Catharsis Daniel Mallery, 1993 **Catharsis**
