**Devil's Church** Lee Pearce,2013-04-30 This is a book I have come up with over the past 3 years it contains a lot of the ideas I have come up with from reading and watching movies over this time I am not saying everything is all correct and true but it does make you think and understand what some individuals will want from you I hope you enjoy the book and as a new writer I have hope it might inspire you too make a book too its the first thing I have done of any interest too me over the past few years so I am saying too listen too what I am saying and I hope it helps you too stay safe and open you eyes too what could happen and I hope you enjoy my book Thanks Lee

**True Stories of Strange Events and Odd People** Lawrence S. Bartell,2014-01-29 Lawrence Bartell experienced many strange events over the course of his long life at least partly because he deliberately strayed far from the beaten path in science While it might not have been the most efficient way to gain a reputation in his field it was more fun In his memoir he presents a collection of entertaining sometimes bizarre stories collected over a lifetime Bartell chronicles a wide variety of experiences such as his predisposition to indulge in childhood pranks his arrest as a possible Russian spy his work on the Manhattan Project his entry into the Guinness Book of Records his stint in the US Navy during wartime and his appointment as visiting professor in Moscow during the height of the Cold War As he recalls the curiousand often bizarretrue stories he acquired over a lifetime it soon becomes evident that scientists are just as human as anyone else and that beer really can play an important role in preparing one for a PhD thesis True Stories of Strange Events and Odd People shares details from a scientists one of a kind journey through life as he observes the world around him tests his theories and learns valuable life lessons
