Stranger Violence A Theoretical Inquiry:

Violent Offenders: Theory, Research, Policy, and Practice Matt DeLisi, Peter Conis, 2011-07-20 Although the public interest in criminal predators is extensive the criminology of criminal predators is fragmented Violent Offenders Theory Research Policy and Practice Second Edition aims to demystify the many different types of violent offenders we hear about in the media This newly revised and updated Second Edition is a compilation of original scholarship from an international collection of applied and academic criminologists Based not only on history and academic research but also on the experiences of author Peter Conis as a 25 year veteran of law enforcement it provides students with a realistic view of why people commit violent crimes and how our criminal justice system as a whole responds to these offenders and these violent acts It contains cutting edge material on the broad category of criminal predators including homicide offenders sex offenders financial predators and conventional street criminals Unlike other texts on the subject that narrowly focus on one type of criminal e.g. serial killers this updated Second Edition illustrates the systemic importance of predation in antisocial behavior This book is divided into two parts part one covers the theoretical and disciplinary foundations of the study of violent behavior spanning the disciplines of sociology psychology biology and neuroscience Part two covers the policy and practice of responding to violent offenders from the insightful perspectives of people who work among them on a daily basis New and Key Features of the Second Edition Contains 10 NEW chapters 5 in theory and research and 5 in policy and practice These additions provide greater overall coverage of sociological theory evolutionary psychology theory and female offenders The section on policy and practice is organized to be consistent with the criminal justice system from law enforcement through the courts to corrections Hands on research and practitioner expertise illustrate today's study of criminal predation Provides clear explanations of how criminological theory relates to the formation of a criminal offender to help students understand the reasons behind a person's violent actions

Stranger Violence Marc Riedel, 1993 First published in 1993 Routledge is an imprint of Taylor Francis an informa company *Sexual Offending by Strangers* Paul V. Greenall, 2024-08-01 Exploring a specific type of sexual violence committed by a specific type of sexual offender namely adult male on adult female stranger sexual violence this book provides readers with an enhanced understanding of both the offences being committed and the offenders who commit them Although acts of serious stranger sexual violence are rare they are important as they occur in the context of there being no pre existing relationship between the offender and victim meaning they present significant challenges to criminal justice practitioners who are required to investigate assess and understand such offending Arguing for the importance of adopting an ideographic perspective this book encourages readers to draw upon a variety of different theories and models as appropriate such as considering the impact of a behavioural conditioning process where sexual violence is a manifestation of prior learning or early life experiences Divided into four sections this comprehensive volume guides the reader through key concepts different types of stranger sexual violence and applications to criminal justice

practice Sexual Offending by Strangers will be of use to police officers prison officers and practitioners working with offenders in either secure or community settings It will also be of value to students and scholars researching the topic of sexual violence Homicide M. Dwayne Smith,Margaret A. Zahn,1999 A set of chapters prepared by leading figures currently engaged in the study of homicide Each chapter provides a review and summary of research literatures that deal with social theories of homicide methodological problems in the study of homicide research among specific groups and public policy reactions designed to prevent homicide **Rethinking Homicide** Terance D. Miethe,Wendy C. Regoeczi,Kriss A. Drass,2004-01-19 Using multiple data sources and methods this book involves a micro historical analysis of the nature of change and stability in homicide situations over time It focuses on the homicide situation as the unit of analysis and explores similarities and differences in the context of homicide for different social groups For example using Qualitative Comparative Analysis we investigate whether various social groups e g men vs women teenagers vs adults strangers vs intimates Blacks vs Whites kill under qualitatively different circumstances and if so what are the characteristics of these unique profiles The analysis of over 400 000 US homicides is supplemented with qualitative analysis of narrative accounts of homicide events to more fully investigate the structure and process underlying these lethal situations Our findings of unique and common homicide situations across different time periods and social groups are then discussed in terms of their implications for criminological theory and public policy Crime and Justice at the Millennium Robert A. Silverman,Terence P.

Thornberry,Bernard Cohen,Barry Krisberg,2013-03-09 Ira Lipman Marvin Wolfgang was the greatest criminologist in the United States of America in the last half of the 20th century if not the entire century We first met on March 3 1977 in Philadelphia I sought him out after his work with Edwin Newman s NBC Reports Violence in America He was a tender loving caring individual who loved excellence whether it be an intellectual challenge the arts or any other pursuit It is a great privilege to take part in honoring Marvin Wolfgang a great American Our approaches to the subject of crime came from different perspectives one as a researcher and the other as the founder of one of the world s largest security services companies We both wanted to understand the causes of crime and our discussions began a more than 21 year friendship based on mutual respect and shared values Dr Wolfgang s scholarship aimed for the goal of promoting a safer more prosperous society one in which economic opportunity replaced criminal enterprise He never saw crime in isolation but as part of a complex web of social relations Only by understanding the causes and patterns of crime can society find ways to prevent it Only through scholarship can the criminal justice community influence policy makers To encourage the innovative scholarship that marked Marvin s career Guardsmark established the Lipman Criminology Library at the University of Pennsylvania at his request and created a national criminology award in his name the Wolfgang Award for Distinguished Achievement in Criminology *The Criminology of Criminal Law* William Laufer,2017-07-05 The Criminology of Criminal Law considers the relation between criminal law and theories of crime criminality and justice This book discusses a wide

range of topics including the way in which white collar crime is defined new perspectives on stranger violence the reasons why criminologists have neglected the study of genocide the idea of boundary crossing in the control of deviance the relation between punishment and social solidarity the connection between the notion of justice and modern sentencing theory the social reaction to treason and the association between politics and punitiveness Contributors include Bonnie Berry Don Gottfredson David F Greenberg Marc Riedel Jason Rourke Kip Schlegel Vered Vinitzky Seroussi Leslie T Wilkins Marvin E Wolfgang and Richard A Wright The Criminology of Criminal Law concludes with an analysis of the results of a study on the most cited scholars in the Advances in Criminological Theory series This work will be beneficial to criminologists sociologists and scholars of legal studies Advances in Criminological Theory is the first series exclusively dedicated to the dissemination of original work on criminological theory It was created to overcome the neglect of theory construction and validation in existing criminological publications *Criminology: Theory, Research, and Policy* Gennaro Vito,Jeffrey Maahs,2011-09-29 Criminology Theory Research and Policy Third Edition uses an interdisciplinary approach to examine and explain how and why crime occurs Comprehensive coverage of a variety of crimes and leading criminological theories is provided and supported by new relevant case studies By making the connection between theory research and policy this revised and updated Third Edition demonstrates the relevancy of criminological theory in the public attempt to control crime while providing justice The emphasis on these three elements with pertinent discussions and examples is what sets this text apart from other criminology titles New Material added the revised and updated Third Edition New Cybercrime chapter provides cutting edge information on the illegal use of computers and the internet New Chapter dedicated to Terrorism Includes discussion of elder abuse crimes and human trafficking Provides new information on White collar crime Updated case studies to reflect relevant crime typologies Additional Features Theory in Action boxes throughout the text provide notes that relate theoretical premises to real world cases and events Each chapter contains objectives key terms and a detailed summary of important points Instructor Resources PowerPoint slides Test Bank Instructor Manual with learning objectives **Advances in Criminological Theory** Freda Adler,William S. Laufer,1989 *The Social Reality of Violence and Violent Crime* Henry H. Brownstein,2000 This book is written in the form of stories that individually and collectively describe violence and violent crime in America in the twentieth century Because violence means different things to different people this book attempts to show the many ways in which we as a society think about violence and how these perceptions have developed in our society during the twentieth century Weaving a personal narrative style together with official statistics media reports research findings and first hand accounts the author illustrates the American experience and the social construction of various forms of violence Since the language of social constructionism is often difficult to understand this book utilizes simple explanations of how violence and violent crime are socially constructed This book succeeds in making an abstract but important theory accessible by grounding these explanations in specific historical and biographical experiences of American society For

Arrigo,2002 This book provides an in depth comprehensive and integrated approach to understanding the sexual offender s victim selection process Consolidating the criminological research on rape and the victimological literature on victims it deepens our knowledge about the offender his victim and the sexual crimes this rapist commits By selecting salient and useful features of past victim selection typologies this book develops a detailed assessment of what kind of individuals are likely victims and why Also this text examines the explanatory and predictive capability of the victim selection typology it proposes To this end the case of Gilbert Escobedo the Ski Mask Rapist is thoroughly explored Following important background material on this power serial rapist past victimization models and theories are applied to the case for purposes of interpreting and explaining Escobedo s method of selecting victims Moreover the victim selection typology developed by the authors is also applied to the Escobedo case The authors demonstrate where and how their own typology significantly advances our assessment of sexual offenders like the Ski Mask Rapist The text concludes by reviewing the implications of the authors model for purposes of future clinical treatment criminal justice administration and policy and ongoing research

Current Issues in Victimology Research Laura J. Moriarty,Robert A. Jerin,2007 Research on crime victims issues is a relatively new phenomenon in the criminal justice field With the birth of victimology in the late 1940s and early 1950s research focused on victim offender relationships and victim culpability It has only been in the last few decades that researchers have both studied the effects of crime upon the victim and analyzed the services provided to the crime victim In Current Issues in Victimology Research Moriarty and Jerin provide an understanding of the criminal act s impact upon individuals and society through recent research The book provides the criminal justice field with a foundation for grasping the complexities of crime victimization Current Issues in Victimology Research serves well as a textbook for a victimology course or as a companion to any traditional text book This new edition features the works of noted scholars and practitioners in the field who summarize the existing literature on victimology and its sub areas Many of the chapters represent topical areas not covered in other volumes and the original research contained in the chapters has not been published elsewhere Moreover each chapter represents a thorough comprehensive and up to date view of its subject matter The eighteen chapters address current issues in victimology research including victim services victim perceptions of crime severity effectiveness of batterer intervention programs the intimidated witness hate crimes adolescent victimization elder abuse youth internet victimization child fatality campus crime female stalkers missing persons and media responses repeat victimization curriculum development for victim assistance academies truancy corrections based restorative justice programs **Chicago**
