A History of Asian Americans
RONALD TAKAKI

Strangers From A Different Shore

John F. Burns, Richard J. Orsi

Strangers From A Different Shore:

Strangers from a Different Shore ,2012-11 In an extraordinary blend of narrative history personal recollection oral testimony the author presents a sweeping history of Asian Americans He writes of the Chinese who laid tracks for the transcontinental railroad of plantation laborers in the canefields of Hawaii of picture brides marrying strangers in the hope of becoming part of the American dream He tells stories of Japanese Americans behind the barbed wire of U S internment camps during World War II Hmong refugees tragically unable to adjust to Wisconsin s alien climate culture Asian American students stigmatized by the stereotype of the model minority This is a powerful moving work that will resonate for all Americans who together make up a nation of immigrants from other shores Romance on a Global Stage Nicole Constable,2003-09-18 By the year 2000 more than 350 Internet agencies were plying the email order marriage trade and the business of matching up mostly Western men with women from Asia Eastern Europe and Latin America had become an example of globalization writ large This provocative work opens a window onto the complex motivations and experiences of the people behind the stereotypes and misconceptions that have exploded along with the practice of transnational courtship and marriage Combining extensive Internet ethnography and face to face fieldwork Romance on a Global Stage looks at the intimate realities of Filipinas Chinese women and U S men corresponding in hopes of finding a suitable marriage partner Through the experiences of those engaged in pen pal relationships their stories of love romance migration and long distance dating this book conveys the richness and dignity of women s and men s choices without reducing these correspondents to calculating opportunists or naive romantics Attentive to the structural cultural and personal factors that prompt women and men to seek marriage partners abroad Romance on a Global Stage questions the dichotomies so frequently drawn between structure and agency and between global and local levels of analysis **Taming the Elephant** John F. Burns,Richard J. Orsi,2003 The final of four volumes in the California History Sesquicentennial Series this text compiles original essays which treat the consequential role of post Gold Rush California government politics and law in the building of a dynamic state with lasting impact to the present day **Strangers from a different shore : a history of Asian Americans** Ronald T. Takaki,1989 Women, Wars and Public Policies Ayanna Yonemura,2025-03-31 Women Wars and Public Policies shatters the boundaries of conventional antiracism offering an examination of white supremacy s persistence through the lens of humanity s most pressing challenges The author tackles migration war national security terrorism nationalism and patriarchy exposing institutionalized oppressions across continents and centuries Defying identity politics this book demonstrates the pervasiveness of Western culture and the need to radically address dominant narratives The author presents three interrelated case studies They are Eleanor Roosevelt s advocacy for Japanese Americans and African Americans connections between Roosevelt s politics and those of U S President Donald Trump including how Trump weaponized masculinity laying the groundwork for decimating refugee and asylum policies and Germany s culture of remembrance and Chancellor Angela

Merkel's approach to the so-called migrant crisis Transcending racial national and disciplinary boundaries with an intersectional framework *Women Wars and Public Policies* exposes parallels between historical injustices and contemporary actions forcing a re-examination of national narratives and institutionalized multiculturalism As migration debates and white supremacy continue to drive politics this work provides globally significant insights into gender and race demanding that we confront our shared histories and futures A New History of Asian America Shelley Sang-Hee Lee, 2013-10-01 A New History of Asian America is a fresh and up-to-date history of Asians in the United States from the late eighteenth century to the present Drawing on current scholarship Shelley Lee brings forward the many strands of Asian American history highlighting the distinctive nature of the Asian American experience while placing the narrative in the context of the major trajectories and turning points of U.S. history Covering the history of Filipinos Koreans Asian Indians and Southeast Indians as well as Chinese and Japanese the book gives full attention to the diversity within Asian America A robust companion website features additional resources for students including primary documents a timeline links videos and an image gallery From the building of the transcontinental railroad to the celebrity of Jeremy Lin people of Asian descent have been involved in and affected by the history of America A New History of Asian America gives twenty-first century students a clear comprehensive and contemporary introduction to this vital history *Building Nations from Diversity* Garth Stevenson, 2014-05-14 A detailed look at ethnic diversity immigration and multiculturalism in the US and Canada

Strangers from a Different Shore Ronald T. Takaki, 1989 Including individuals from the first wave of immigrants in the 1840s the author tells the story of some of the Asian Americans who came to this country and the obstacles they faced here

Strangers From A Different Shore Ronald Takaki, 1998 Interracial Intimacy Rachel F. Moran, 2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage

The Contemporary Asian American Experience Timothy P. Fong, 1998 For undergraduate level courses in Introductory Asian American Studies or any course focusing on Asian Americans Combining the rigor of scholarship with the accessibility of journalism this text examines the contemporary history culture and social relationships that form the fundamental issues confronted by Asians in America today Comprehensive authoritative yet concise it focuses on a broad range of issues and features a unique comparative approach that analyzes how race class and gender intersect throughout the contemporary Asian American experience **Agents of Change**, 1999 Not a War Daniel Duffy, 1997 **The Social Construction of Difference and Inequality** Tracy E.

Ore,2000 This anthology examines the social construction of race class gender and sexuality and the institutional bases for these relations While other texts discuss various forms of stratification and the impact of these on members of marginalized groups Ore provides a thorough discussion of how such systems of stratification are formed and perpetuated and how forms of stratification are interconnected The anthology supplies sufficient pedagogical tools to aid the student in understanding how the material relates to her his own life and how her his own attitudes actions and perspectives may serve to perpetuate a stratified system Dream of a Big City Theodore Andrew Strathman,2005 **The New Encyclopedia of Southern**

Culture: Ethnicity ,2006 Volume 4 Myth manners and memory This volume addresses the cultural social and intellectual terrain of myth manners and historical memory in the American South Evaluating how a distinct southern identity has been created recreated and performed through memories that blur the line between fact and fiction this volume paints a broad multihued picture of the region seen through the lenses of belief and cultural practice *Traditions & Encounters* Jerry H. Bentley,Herbert F. Ziegler,2003 **The Oxford Companion to American Law** Kermit Hall (ed),David S. Clark,2002-05-02 A landmark in legal publishing The Oxford Companion to the Supreme Court is a now classic text many of whose entries are regularly cited by scholars as the definitive statement on any particular subject In the tradition of that work editor in chief Kermit L Hall offers up The Oxford Companion to American Law a one volume A Z encyclopedia that covers topics ranging from aging and the law wiretapping and electronic eavesdropping the Salem Witch Trials and Plessy vs Ferguson The Companion takes as its starting point the insight that law is embedded in society and that to understand American law one must necessarily ask questions about the relationship between it and the social order now and in the past The volume assumes that American law in all its richness and complexity cannot be understood in isolation as simply the business of the Supreme Court or as a list of common law doctrines Hence the volume takes seriously issues involving laws role in structuring decisions about governance the significance of state and local law and legal institutions and the place of American law in a comparative international perspective Nearly 500 entries are included written by over 300 expert contributors Intended for the working lawyer or judge the high school student working on a term paper or the general adult reader interested in the topic the Companion is the authoritative reference work on the subject of American law

Imagining Community Thanh-Thu y Vo,2003 *Trends in Ethnic Identification Among Second-Generation Haitian Immigrants in New York City* Flore Zephir,2001-06-30 The author conducted extensive interviews with both first and second generation immigrants in New York City revealing that second generation Haitian immigrants do not have one single identity Rather they exhibit multiple identities that are shaped by both the American realities and the home and familial context The author describes in detail the various macro and micro factors that account for this great variation in ethnic identification and discusses the implications of these identity choices for American society at large Unlike their parents who do not consider themselves American but rather birds of passage and who additionally because of their distinctive foreign accents

are not perceived to be American the children of Haitian immigrants have the option of being less ethnic In fact they are very often seen by others as merely American In light of this distinction the central questions posed in the present study are the following Are Haitian families successful at passing on to their offspring the same ethnic feelings identification culture and values How do their children choose to define themselves Do they consider themselves American or more specifically African American Is being ethnic important to their self image In what way does the home environment influence their ethnic choices What role do the American realities that surround them play in shaping Haitian youth identity What are the manifestations and implication of these identifies
