Evans,2009-05 Colonel Mathew Stone and his seven man Special Forces team were the best in the world But times had changed and they were slated for early retirement by Uncle Sam Matt figured they would collect their retirement checks and probably become high paid security guards But in a bizarre twist an angel from Heaven appears to Stone and his

men pleading for their help to save an alien planet from evil demons It s part of a galaxy wide struggle between good and evil for the souls of millions of humans The angels are spread too thin and need assistance on the backwards planet of Rytan Under Heaven s new plan the coming war on Rytan would have to be contracted out Wary about the whole situation but bored with their new lives Stone and his men take the job Unfortunately the only allies they find are medieval pacifists trained to flee from the enemy a fact the angel conveniently left out Now all the earthlings have to do is cross an unknown world turn a continent full of medieval pacifists into an army and learn the Ways of Power from a Wizard Priest so they aren t incinerated by demons Easy right Wrong

Bruning, 2003 Flying P 38s Jerry Johnson shot down 24 aircraft in 265 combat missions in the Pacific theater At the age of only twenty four he commanded the highest scoring fighter group in the Pacific Tragically though Johnson had survived three combat tours which included a mid air collision with a Japanese aircraft and being shot down by friendly fire the new father disappeared without a trace while flying a courier mission one month after the war s end

A Knight of the White Cross George Alfred Henty, 1895 **The Knight's Ransom** Laura Valentine, 1870 **The Knights of the Cross** Henryk Sienkiewicz, 1899 It is in the very first rank of imaginative and historical romance The time and scene of the noble story are laid in the middle ages during the conquest of Pagan Lithuania by the military and priestly order of the Krzyzacy Knights of the Cross And the story exhibits with splendid force the collision of race passions and fierce violent individualities which accompanied that struggle Those who read it will in addition to their thrilling interest in the tragical and varied incidents gain no little insight into the origin and working of the inextinguishable race hatred between Teuton and Slav It was an unfortunate thing surely that the conversion of the heathen Lithuanians and Zmudzians was committed so largely to that curious variety of the missionary the armed knight banded in brotherhood sacred and military To say the least his sword was a weapon dangerous to his evangelizing purpose He was always in doubt whether to present to the heathen the one end of it as a cross for adoration or the other as a point to kill with And so if Poland was made a Catholic nation she was also made an undying and unalterable hater of the German the Teutonic name and person Goodreads
