are a solution to this dilemma We each have the power to live our lives in this world with an unchanging mindset We each have to play our part in order to have a better result and see a world that is suitable to raise the next generations In the Closet will lead us to understand that we don t have to succumb to the pressure of society but we can all stand our ground and become people of character and integrity where we find our lives in the secret place and decide to live this same life beyond closed doors Where we can purposely match our private lives with the public one It is not easy but it is possible to change this world for the good *The Holy Bible, According to the Authorized Version (A.D. 1611): Romans-Philemon*
