## **The Forms Of Narrative A Practical Study Guide For English:**

*The Forms of Narrative* Peter Abbs, John Richardson, 1990-05-31 These two companion volumes provide students aged 14-18 with a practical map of the various literary forms of English. Each volume offers a diverse and imaginative anthology chosen from the whole field of English literature. They aim to encourage students to explore in practical ways the scope, development and uses of form in English. Each chapter offers a wide range of stimulating assignments both for use in the classroom and for personal study. Both volumes are illustrated throughout to provide a full context for the writing which is represented

## **Interdisciplinary Research Approaches to Multilingual Education** Vasilia

Kourtis-Kazoullis, Themistoklis Aravossitas, Eleni Skourtou, Peter Pericles Trifonas, 2018-10-03 Recently intensified global mobility has reinforced the interest for ethnolinguistic diversity and multilingualism in education and society

Interdisciplinary Research Approaches to Multilingual Education brings together current interdisciplinary perspectives in multilingual and second language education to examine research and language teaching in specific countries as well as different aspects of multilingual education that include language policies and ICT applications. Containing context specific practical interventions and relevant theoretical approaches, it considers the contemporary challenges of language policies and practices to inform teacher and curriculum development based on international empirical research. The chapters of this book are centered around the following themes: Educational programs and policies, Teaching and learning, Linguistic diversity, ICT and language learning. This book will be of great interest to academics, researchers and postgraduate students in language education, bilingual education, second foreign language learning, CALL and applied linguistics. It will also appeal to educational administrators and those involved with language education policies
