The Free Woman:

The Women's Study Bible Mary J. Evans, 2009 Everyone knows about Noah Moses and Paul But what about Hagar Michal and Priscilla all women who had a direct influence in the story of God's people The Bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today In The Women's Study Bible respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today Separate sidebars cover topics such as midwifery women disciples and female images of God The Women's Study Bible doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included Book Jacket

Sexuality and Law in the Torah Hilary Lipka, Bruce Wells, 2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel's social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re-interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond *NLT Study Bible* Tyndale, Tyndale House Publishers Staff, 2017-04 Ask Seek Knock Receive Find Open For everyone who asks receives Everyone who seeks finds And to everyone who knocks the door will be opened Matthew 7:8 Explore the Scriptures with almost 50 of today's top evangelical scholars including Daniel Block Barry Beitzel Tremper Longman John N Oswalt Grant R Osborne Norman Ericson and many more Every feature in the NLT Study Bible has been created to do more than just impart information Ask questions and the NLT Study Bible gives you both the words and the world of the Bible Seek deeper understanding and find the meaning and significance of Scripture not just facts Knock on the door of God's Word and see what doors are opened to you The New Living Translation makes the message clear The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends Dr William H Marty ThD Professor of Bible Moody Bible Institute Features from nearly 50 of today's most trusted Bible teachers include 300 theme articles identify and explore the major topics and ideas of the Bible 25,000 study and textual notes provide background and deeper explanations of words phrases verses and sections
