**Woman** Annie Ernaux, 2020-05-19 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A Frozen Woman charts Ernaux's teenage awakening and then the parallel progression of her desire to be desirable and her ambition to fulfill herself in her chosen profession with the inevitable conflict between the two And then she is 30 years old a teacher married to an executive mother of two infant sons She looks after their nice apartment raises her children And yet like millions of other women she has felt her enthusiasm and curiosity her strength and her happiness slowly ebb under the weight of her daily routine The very condition that everyone around her seems to consider normal and admirable for a woman is killing her While each of Ernaux's books contain an autobiographical element A Frozen Woman one of Ernaux's early works concentrates the spotlight piercingly on Annie herself Mixing affection rage and bitterness A Frozen Woman shows us Ernaux's developing art when she still relied on traditional narrative before the shortened form emerged that has since become her trademark **The Frozen**

**Deep and Miss or Mrs** Wilkie Collins, 2021-02-17 The Frozen Deep The play's genesis lay in the conflict between Dickens and John Rae's report on the fate of the Franklin expedition In May 1845 the Franklin expedition left England in search of the Northwest Passage It was last seen in July 1845 after which the members of the expedition were lost without trace In October 1854 John Rae using reports from Eskimo Inuit eyewitnesses who informed that they had seen 40 white men and later 35 corpses described the fate of the Franklin expedition in a confidential report to the Admiralty From the mutilated state of many of the corpses and the contents of the kettles it is evident that our wretched countrymen had been driven to the last resource cannibalism as a means of prolonging survival Miss or Mrs Another crisp short novel from Wilkie Collins As one who distrusts the institution of matrimony he gives us another example of the somewhat strange Victorian marriage laws The heroine of Miss or Mrs Natalie is fifteen years old Her family wants her to wed Richard Turlington a failing businessman who wants access to Natalie's father's fortune to save his hide Natalie hates Turlington and secretly marries Launcelot Linzie her cousin who is unable to legally elope with her until her sixteenth birthday Collins is a past master of knowing how to milk a complicated plot to good effect Well worth reading Goodreads [Girl of the Frozen North](#) , **The Frozen Deep** Wilkie
