The Funeral Rites:

The Last Act ,1876 A Practical Guide to Funeral Rites in Islam Maulana Ebrahim Noor,2017-06-03 A person is born into this world spends a little time and then passes away All h Swt mentions in the Holy Qur n Every soul has to taste death The one thing we can all be sure about and cannot deny is the fact that one day we will all be leaving this earth Our life on this earth is merely a journey to our real abode in the hereafter The Messenger of All h Swt mentions in a ad th Live in this world as if you are a traveller or a wayfarer In another ad th the Messenger of All h saw mentions The intelligent person is the one who controls his self desires and performs deeds for after his death and the helpless person is the one who follows his self desires and relies on All h Swt This booklet does not go over all the preparations one must make before they pass away as our whole lives should be preparation for the hereafter but I will cover the necessary steps we must take as Muslims when another Muslim is about to pass away or passes away This is a time of great grief and sadness which can lead people to perform acts which are against Shar ah and are classified as Bid ah innovation People sometimes spend lavishly on funerals in the same way as they spend at weddings People become a burden on the family of the deceased expecting to be dined on several occasions and the atmosphere at the funeral house may become contrary to the event Many actions are done with the thinking that there is a basis for it in our religion but the reality is that there is no evidence to support them ather than go through all the innovative practises I have identified the actions for which there is sound evidence I have provided references where required so we can have peace of mind that we are carrying out all of the rituals correctly We will comprehensively review the process which will enable the burial to take place quickly easily and most importantly in accordance with Shar ah Some of the subjects we will cover are as follows What do we do when we see someone passing away What legal paperwork do we need to go through with the burial How to prepare the Kafan shroud and bathe the body of the deceased The correct burial process according to Shar ah The period of mourning and information on Iddah Etiquettes of visiting the house of the deceased What can we do for those who have passed away *The Funeral Rites* Victor Hoagland,1989-07 Contains sections from the Order of Christian Funerals Vigil for the Deceased and Rite of Committal It also includes General Norms for Catholic Funerals The Death of a Christian Richard Rutherford,1980 **Rites of Committal for the Order of**

as a satire of the elaborate preparations and memorialization of the dead taking place in his time he had no way of knowing how technical and extraordinarily creative human funerary practices would become in the ensuing decades In Funeral Festivals in America author Jacqueline S Thursby explores how modern American funerals and their accompanying rituals have evolved into affairs that help the living with the healing process Thursby suggests that there is irony in the festivities surrounding death The typical American response to death often develops into a celebration that reestablishes links or strengthens ties between family members and friends The increasingly important funerary banquet for example honors an often well lived life in order to help survivors accept the change that death brings and to provide healing fellowship At such celebrations and other forms of the traditional wake participants often use humor to add another dimension to expressing

both the personality of the deceased and their ties to a particular ethnic heritage In her research and interviews Thursby discovered the paramount importance of food as part of the funeral ritual During times of loss individuals want to be consoled and this is often accomplished through the preparation and consumption of nourishing comforting foods In the Intermountain West Funeral Potatoes a potato cheese casserole has become an expectation at funeral meals Muslim families often bring honey flavored fruits and vegetables to the funeral table for their consoling familiarity and many Mexican Americans continue the tradition of tamale making as a way to bring people together to talk to share memories and to simply enjoy being together Funeral Festivals in America examines rituals for loved ones separated by death frivolities surrounding death funeral foods and feasts post funeral rites and personalized memorials and grave markers Thursby concludes that though Americans come from many different cultural traditions they deal with death in a largely similar approach They emphasize unity and embrace rites that soothe the distress of death as a way to heal and move forward

Death, Ritual, and Belief Douglas J. Davies, 1997-07-01 Describing a variety of funeral ritual from major world religions and from local traditions this book shows how cultures cope not only with corpses but also create an added value for living through the growth of afterlife beliefs The key theme of the book is the rhetoric of death the way cultures use the most potent weapon of words to bring new power to life Human identity and its transformation through mortuary rites is explored through the mummies of Chile and Egypt African sacrificial deaths Indian cremations immigrant cemeteries in the USA ancestor rites in Eastern religions and Mormonism and the freezing of the dead in cryonics Research findings are presented on cremation and afterlife beliefs especially reincarnation sensing the presence of the dead and the death of pets in Britain to show how mortuary rituals are constantly changing in response to death as a major feature of the human environment
