Anheier,David C. Hammack,2010-09-01 Foundations play an essential part in the philanthropic activity that defines so much of American life No other nation provides its foundations with so much autonomy and freedom of action as does the United States Liberated both from the daily discipline of the market and from direct control by government American foundations understandably attract great attention As David Hammack and Helmut Anheier note in this volume Americans have criticized foundations for their alleged conservatism liberalism elitism radicalism devotion to religious tradition hostility to religion in short for commitments to causes whose significance can be measured in part by the controversies they provoke Americans have also criticized foundations for ineffectiveness and even foolishness Their size alone conveys some sense of the significance of American foundations whose assets amounted to over 530 billion in 2008 despite a dramatic decline of almost 22 percent in the previous year And in 2008 foundation grants totaled over 45 billion But what roles have foundations actually played over time and what distinctive roles do they fill today How have they shaped American society how much difference do they make What roles are foundations likely to play in the future This comprehensive volume the product of a three year project supported by the Aspen Institute s program on the Nonprofit Sector and Philanthropy provides the most thorough effort ever to assess the impact and significance of the nation s large foundations In it leading researchers explore how foundations have shaped or failed to shape each of the key fields of foundation work American Foundations takes the reader on a wide ranging tour evaluating

foundation efforts in education scientific and medical research health care social welfare international relations arts and culture religion and social change     *Nobel Foundation Directory* Nobel Foundation,2004     *Intl Foundation Directory 2004* Taylor & Francis Group,2004-06-01     Guide to U.S. Foundations Foundation Center,2004-04     Reconnecting Education and Foundations Ray Bacchetti,Thomas Ehrlich,2007 Praise for Reconnecting Education Foundations Ray Bacchetti and Thomas Ehrlich have brought together an impressive constellation of thinkers to consider philanthropy's fundamentally important role in American education past present and future Thomas Toch cofounder and codirector Education Sector This volume provides a critical and constructive analysis of relationships between foundations and education institutions It offers thoroughly researched well reasoned and very practical suggestions for increasing foundations impact on the quality of K 12 and university education Deborah Stipek dean Stanford University School of Education This fascinating book the outcome of a project to mark the one hundredth anniversary of the Carnegie Foundation for the Advancement of Teaching asks the crucial question whether foundations can and should invest in educational capital in this new century now that the historic consensus on what makes for good education has given way to an era of uncertainty and politicization as to the goals of education The book will convince readers that the stakes are high in resolving this dilemma in educational investment Stanley N Katz director Center for Arts and Cultural Policy Studies Woodrow Wilson School Princeton University This impressive book by Bacchetti Ehrlich and their knowledgeable coauthors unveils through sound research and analysis the interlocking and often tension ridden tripartite relationships among the institutions of private philanthropy i e foundations schools and colleges It is a must read for Messrs Buffett and Gates along with thoughtful practitioners academics and policy analysts in the fields of philanthropy and education It doesn't provide all of the answers but raises many very important questions Donald M Stewart visiting professor the Harris School of Public Policy Studies University of Chicago     **Engineering Documents Center Index** University of Illinois at Urbana-Champaign.
