The Foundation Stone:

Service for blessing and laying the Foundation-stone of St. Mary's Church, Aberdeen. Tuesday, 1st July, 1862
,1862 **The Foundation Stone** Willem Zeylmans Van Emmichoven,2002-09-15 During the Christmas Conference of 1923/24 when the Anthroposophical Society was refounded Rudolf Steiner presented to its members for the first time the Foundation Stone Meditation On consecutive days during that week Steiner showed how elements of the Meditation could be rebuilt into new meditations sometimes referred to as rhythms which could be inwardly practiced Zeylmans van Emmichoven was present at that formative meeting and lived intensively with these rhythms for more than 30 years Initially in the Netherlands and later during his many journeys around the world Zeylmans began to make people aware of the germinating forces contained within the Meditation This volume remains a seminal book that has inspired generations of students of anthroposophy *The Foundation Stone* Rudolf Steiner,1996 The right ground in which we must lay today's Foundation Stone the proper soil this is our hearts in their harmonious cooperation in their love imbued good will to carry the will of anthroposophy through the world together with one another Rudolf Steiner This volume brings together for the first time two classic booklets *The Foundation Stone* and *The Life Nature and Cultivation of Anthroposophy* The first contains Steiner's comments of *The Foundation Stone Meditation* made during the reestablishment of the Anthroposophical Society at the Christmas Conference of 1923/24 *The Foundation Stone Meditation* is central in the meditative life of many students of spiritual science Part two *The Life Nature and Cultivation of Anthroposophy* contains letters that Steiner wrote to members of the Anthroposophical Society following the Christmas Conference They contain thoughts and guidelines regarding the Anthroposophical Society and its members conduct in the world An excellent companion to this book is *Constitution of the School of Spiritual Science An Introductory Guide* **May Human Beings Hear It!** Sergei O. Prokofieff,2004 It depends on the human being whether he merely conceives of anthroposophy or whether he experiences it Rudolf Steiner During the Christmas period of 1923/4 Rudolf Steiner refounded the Anthroposophical Society at its headquarters in Dornach Switzerland This important event which has come to be known as the Christmas Conference can be studied on many levels and its many mysteries have been central to Sergei O Prokofieff's anthroposophical research over the years His beginning point has been an enduring question What did Rudolf Steiner mean when he called the Christmas Conference the start of a World Turning point of Time In this far reaching work the author working from several different viewpoints guides the reader towards an answer Prokofieff suggests that the impulse of the Christmas Conference can only be reenlivened today through conscious action by individuals to experience its spiritual essence Rather than offering dogmatic conclusions he opens up paths of approaching this goal by throwing light on different aspects of the Conference and what lies at its heart the Foundation Stone and its Meditation In particular Prokofieff explores three key perspectives the connection of the Christmas Conference with humanity's evolution the inner relationship of each individual anthroposophist to the Christmas Conference

and the significance of the Conference to Rudolf Steiner himself Although this is major work of some length the individual chapters of *May Human Beings Hear It* are complete in themselves and can therefore be studied independently of each other
