Kurland, Ralph Lerner, 2000 Originally published to commemorate the bicentennial of the United

Levin,2013-08-13 Mark R Levin has made the case in numerous bestselling books that the principles undergirding our society and governmental system are unraveling In The Liberty Amendments he turns to the founding fathers and the constitution itself for guidance in restoring the American republic The delegates to the 1787 Constitutional Convention and the delegates to each state s ratification convention foresaw a time when the Federal government might breach the Constitution s limits and begin oppressing the people Agencies such as the IRS and EPA and programs such as Obamacare demonstrate that the Framers fear was prescient Therefore the Framers provided two methods for amending the Constitution The second was intended for our current circumstances empowering the states to bypass Congress and call a convention for the purpose of amending the Constitution Levin argues that we the people can avoid a perilous outcome by seeking recourse using the method called for in the Constitution itself The Framers adopted ten constitutional amendments called the Bill of Rights that would preserve individual rights and state authority Levin lays forth eleven specific prescriptions for restoring our founding principles ones that are consistent with the Framers design His proposals such as term limits for members of Congress and Supreme Court justices and limits on federal taxing and spending are pure common sense ideas shared by many They draw on the wisdom of the Founding Fathers including James Madison Benjamin Franklin Thomas Jefferson and numerous lesser known but crucially important men in their content and in the method for applying them to the current state of the nation Now is the time for the American people to take the first step toward reclaiming what belongs to them The task is daunting but it is imperative if we are to be truly free **Queens Bar Bulletin** ,1985 **American Book Publishing Record** ,2003 **Recent Acquisitions** Ohio State University. College of Law. Library,1995 **Debates and Proceedings of the Constitutional Convention of the State of Illinois** Illinois,1870 [University of Pennsylvania Law Review](#) ,2009-02 [Ohio Media Spectrum](#) ,1987 March issue is the directory of the Ohio Educational Library Media Association **Encyclopedia of Mormonism** Daniel H.
