The Free Offer Of The Gospel:

Free Offer of the Gospel John Murray,Ned Bernard Stonehouse,1949-01-01 **The Free Offer of the Gospel** John Murray,2002-02 What is God s attitude towards those who hear the Gospel Does God desire the salvation of all In this careful and scholarly work John Murray 1898 1975 formerly Professor of Systematic Theology at Westminster Seminary surveys the biblical evidence He shows how the offer of Christ in the gospel demonstrates an ardent desire in the heart of God that all who hear should possess Christ and enjoy the salvation that is in him The Free Offer of the Gospel Erroll Hulse,1973

The Crux of the Free Offer of the Gospel Samuel E. Waldron,2019 **The Presbyterian Philosopher** Douglas J. Douma,2017-01-24 This is the story of Gordon Clark 1902 85 respected philosopher and prolific writer who held that Christianity as a logically coherent system is superior to all other philosophies Clark fought no wars and conquered no kingdoms Yet he was a leading figure in many theological wars fought for the Kingdom of God These battles for the minds and souls of men were every bit as crucial as physical wars between nations In an age of increasing secularization he put up an intellectual defense of the Christian faith This faith he believed was a system All of its parts link together a luxury of no other philosophy His stance shows a Christianity that is in fact intellectual not relying on appeals to emotion or experience In propounding this view he encountered frequent opposition not from the secular world but from within his own denomination This biography helps explain why his thought was so profound why resistance mounted against him and how his struggles impacted American Presbyterianism Additionally this book calls for a reappraisal of Clark s views which have been maligned by controversy Understanding and applying his views could significantly fortify Christians combating irrational and non systematic ideas prevalent in today s churches *The Gospel Offer Is Free* David H. J. Gay,2012 Does God command all sinners to repent and believe Does God desire the salvation of all sinners Yes says the Bible yes to both questions But many who love the doctrines of grace are confused They think God s absolute sovereignty in election Christ s particular redemption of the elect and the Holy Spirit s specific application of that redemption to the elect conflicts with the free offer It does no such thing If you doubt it read this book The argument is no trifling matter no splitting of hairs The free offer is the biblical way of preaching the gospel Today we see the grievous consequences of too little preaching the gospel as it ought to be preached How the gold has become dim Lam 4 1 Within these pages therefore you will come across no apology for the free offer no mere defence of it Quite the reverse You will find that the free offer is a vital part of God s free grace and that a return to the preaching of it in the biblical way is one of the great needs of the hour
