The Full Mood A Priestess Tale:

The Full Mood Penny Augustin, 2003-10 A tale of loss love discovery and healing is interwoven between two women from two very different lifetimes Namu lives in England in the 800s A D She struggles to stay true to her priestess ways while living in an era that forbids her to openly do so Rose lives in modern day Wisconsin Her challenge is to find or one might say remember the gifts she has to offer Have times really changed Namu and Rose each have an openness to all forms of life even that which is not seen with the human eye They each have their tragedies and joys Yet they share only one vision for they are of one spirit

Reinstating the Divine Woman in Judaism Jenny Kien, 2000 A GODDESS FOR WOMEN S PRAYERS Goddesses in ancient religions were particularly significant for women s physical social and spiritual well being Yet the Divine Woman was discarded by the monotheistic religions Arguing her importance for women the author proposes returning the Divine Woman to Judaism Textual archeological and historical analysis reveal how the Canaanite Great Goddess Asherah played a major role as Jahweh s consort in the religion of biblical Judah and Israel The author shows how this goddess has not entirely disappeared from modern Judaism her analysis of the expulsion from the Garden of Eden and the story of Tamar and Judah reveals many traces of Asherah s worship and myths still in the Bible The development of the menorah and the kabbalistic Tree of Life from Asherah s religious symbolism further illustrate the goddess profound effect on Judaism These findings are of great relevance for present day feminist Judaism Reintroducing the Divine Woman to Judaism may stimulate new ways of approaching biblical texts religious practice and yearly festivals ways that preserve their connection with Jewish tradition but also empower women

Tales of the Serpent and the Moon Sofia Batalha, 2025-07-01 Tales of the Serpent and the Moon is a woven shawl of mythic threads eco mythological whispers and tentative mendings of the broken stories that still hum in the bones of the land These are not tales to consume or decode but to live with to compost and be composted by In the entangled spirit of mythopoetic inquiry Sofia Batalha invites us into a landscape where stories emerge as sentient companions and images become thresholds to ecological reciprocity ancestral memory and soul rooted listening Each tale acts as a shimmering riverstone arising from dreams places and relationships that can be held turned and reflected upon in one s own inner cauldron This book is not about recovering a pure past nor is it a bypass from modern complexity It is a remembering of the sacred ways life speaks through serpents grandmothers swamps lamias crows daemons and rivers It invites readers into embodied relational practices with myth image and land away from extractivist knowing and toward felt situated ethical entanglement Sofia writes from a rooted European perspective tracing stories beneath domesticated culture colonizing narratives and identity myths These tales
